

# "THE BENEFITS OF A SMALL CHURCH"

Just because we are not  
large does not mean we  
are worthless or  
unimportant.

# INTRODUCTION

- ◆ Churches come in all sizes...
- ◆ Some are large, numbering in the thousands, even tens of thousands
- ◆ Some are small, with as few as two or more people meeting in a home

# INTRODUCTION (cont'd)

- ◆ The definition of church sizes is rather arbitrary.
- ◆ Each size has its advantages...
- ◆ There are things a larger church can do with its increased resources
- ◆ But there are benefits of small churches often lost in larger churches

# BENEFITS OF A SMALL CHURCH

- ◆ An opportunity to cross generational lines
- ◆ Where children learn to relate to others besides their peers

## BENEFITS OF A SMALL CHURCH

- ◆ Where young and old benefit from each other's strengths
- ◆ **The family of God is a wonderful blessing (Mark 10:28-30)**
- ◆ **A blessing most often experienced in small churches**

# GREATER OPPORTUNITIES TO GROW

- ◆ The roles to fulfill are not that much different between large and small churches
- ◆ Roles such as serving in public worship, Bible classes, etc.
- ◆ Whether large or small, the number of teachers, preachers, song leaders, etc., that are needed is about the same

# GREATER OPPORTUNITIES TO GROW

- ◆ The ratio of roles to members is usually much greater in small churches
- ◆ Simply because we do not have a large pool of members to choose from
- ◆ Therefore there is often a greater need in small churches

# GREATER OPPORTUNITIES TO GROW

- ◆ **Larger churches often require a large rotation in its use of members**
- ◆ **Opportunities to preach, teach classes, serve in the public worship may be rare**
- ◆ **One may have the opportunity to be used only once in a long while**

# GREATER OPPORTUNITIES TO GROW

- ◆ **Smaller churches use those willing to serve much more frequently**
- ◆ **Out of necessity at times, but can also be by design**
- ◆ **Small churches are often the training ground where leaders for large churches developed their skills.**

# SUNDAYS

AREN'T THE  
SAME WITHOUT

# U!

- ◆ One's absence is more keenly felt in a small church
- ◆ Especially when needed to fulfill a certain role (e.g., Bible class teacher)
- ◆ One's absence can be overlooked for several weeks in a larger church
- ◆ For those needing encouragement, this is important

**GREATER  
OPPORTUNITIES  
TO GROW**

# SUNDAYS

AREN'T THE  
SAME WITHOUT

# U!

**GREATER  
OPPORTUNITIES  
TO GROW**

- ◆ It is too easy to get lost in a crowd
- ◆ We need brethren who will take notice when we begin to show signs of weakness
- ◆ Galatians 6:1-2
- ◆ **Proportionally speaking, more preachers, teachers, elders, and average members have been developed by small churches than large churches**

## THE OBLIGATIONS OF A SMALL CHURCH

- ◆ **NURTURE SENSE OF FAMILY...**
- ◆ Congregationally, by providing opportunities for spiritual fellowship
- ◆ Do this by Bible classes, gospel meetings, etc.

- ◆ ladies' classes on teaching ladies, children
- ◆ Utilizing those willing to develop their abilities and talents

# THE OBLIGATIONS OF A SMALL CHURCH

- ◆ **WATCH FOR STAGNATION...**
- ◆ It is tempting to want to remain small
- ◆ Because of the advantages of a small congregation
- ◆ Its warmth, friendliness, etc.

# THE OBLIGATIONS OF A SMALL CHURCH

- ◆ The Lord expects us to grow –
- ◆ **Matthew 13:31-32 and John 15:1-2**
- ◆ We should not be content to remain small
- ◆ We should be seeking to grow both as individuals and as a congregation
- ◆ **If we are not on an upward spiral of growth, we are likely heading downward**

# CONCLUSION

- ◆ Again, there are advantages to different sizes in congregations...
- ◆ My point has not been to suggest one size is superior to another
- ◆ My purpose has been to ensure we do not let smallness become a hindrance

# CONCLUSION

- ◆ As a small congregation...
- ◆ We need to focus on our strengths, which should lead to growth
- ◆ If we do not, we will likely stagnate, if not die altogether.
- ◆ Focus on our strengths as a small congregation, and it is more likely we will remain healthy when we become a larger congregation
