

**I Remember
Mama
(sermon review)**

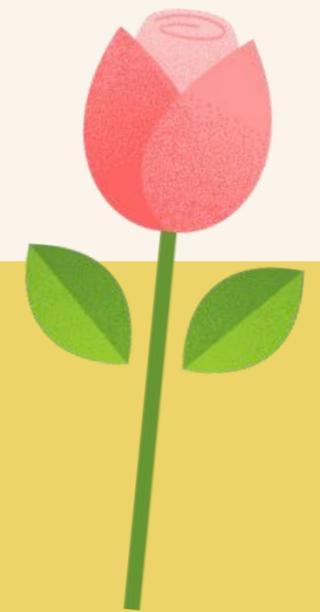

The image features a central graphic with a pink background. In the center, the word "MOM" is written in large, white, 3D block letters. A vibrant pink daisy-like flower is positioned between the two 'M's. The entire graphic is set against a white background decorated with faint, artistic illustrations of green leaves and brown autumn leaves.

MOM

**The celebration of Mother's Day has
been around for literally hundreds of
years**

**The ancient Greeks
celebrated a festival
dedicated to
"Cymbele," the
mother of the gods**

**The Romans
observed an annual
“Matronalia”
(Latin) dedicated to
Juno (from whence
we get the month
June)**

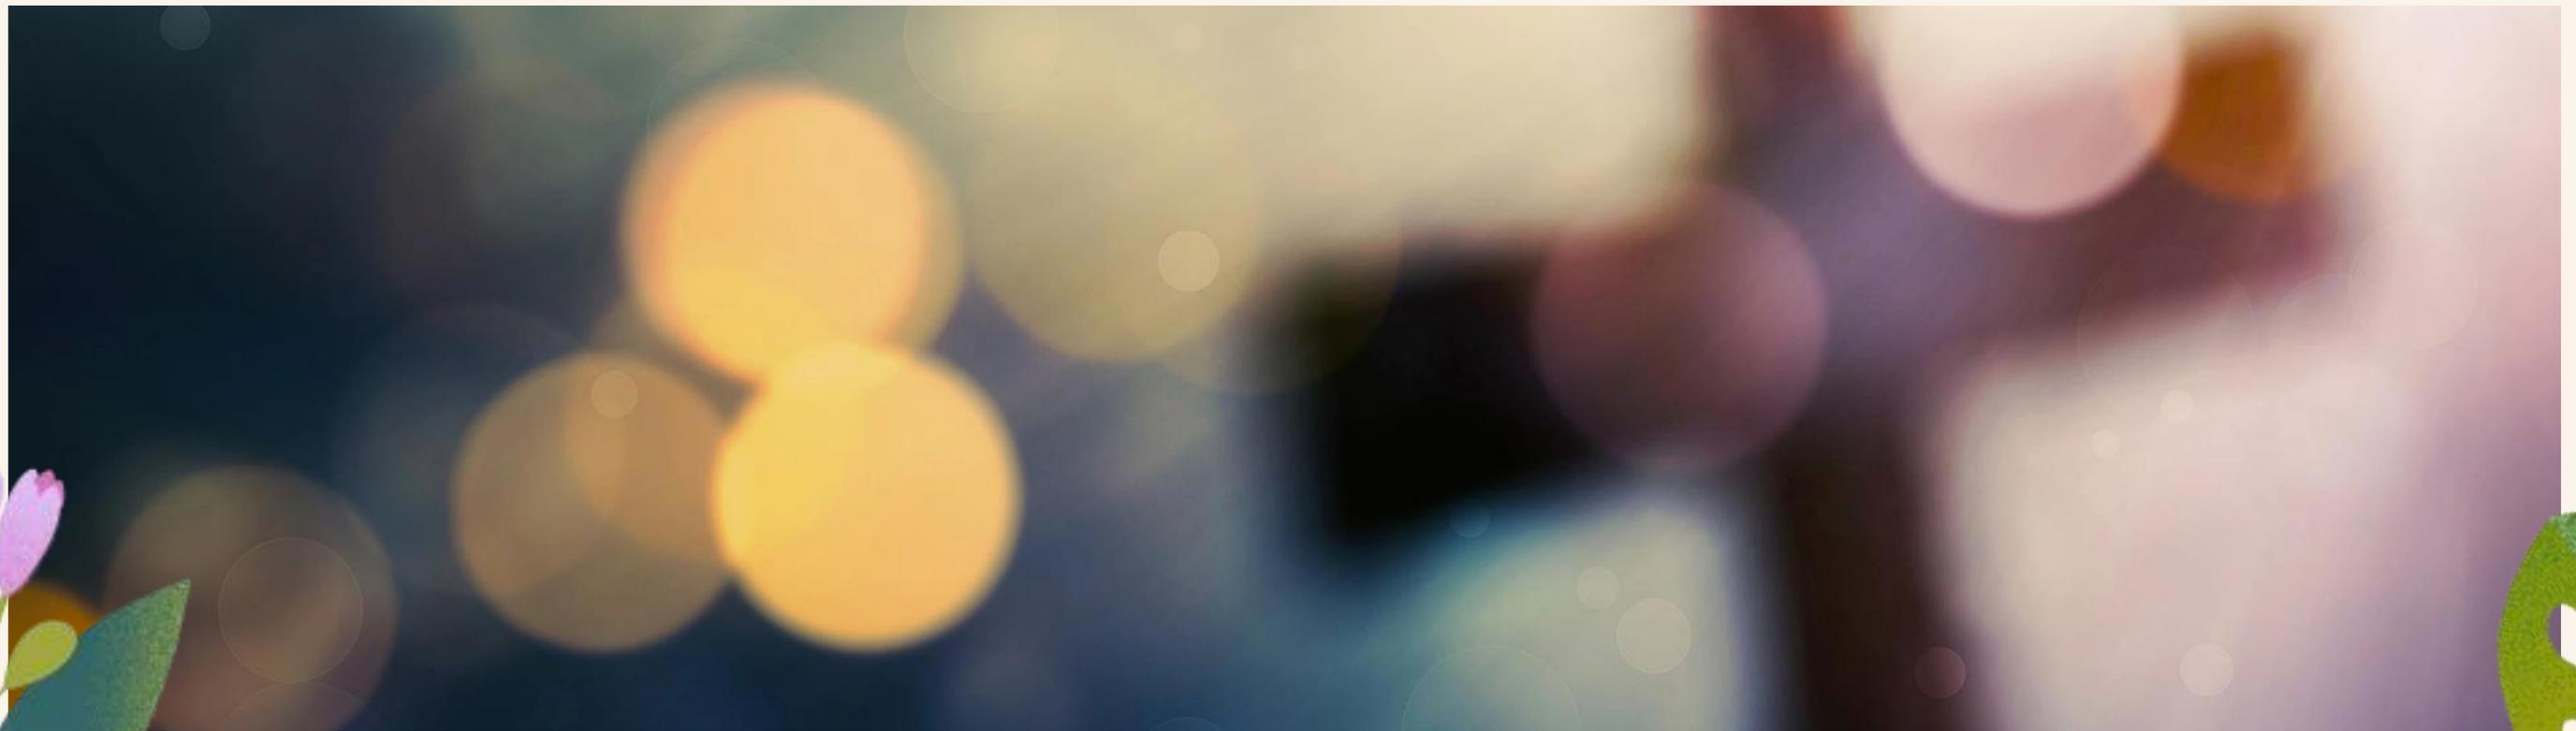

**But Mother's Day as
we know it did not
start until the year
1914.**

**From then until now we have celebrated
our mothers on the 2nd Sunday of May.**

The text of this past Sunday is usually associated with the 7 last words of Jesus.

**It is considered
one of the more
private and
intimate
moments of
Jesus's last
sayings.**

**However, it was more of a family
responsibility than a personal
moment.**

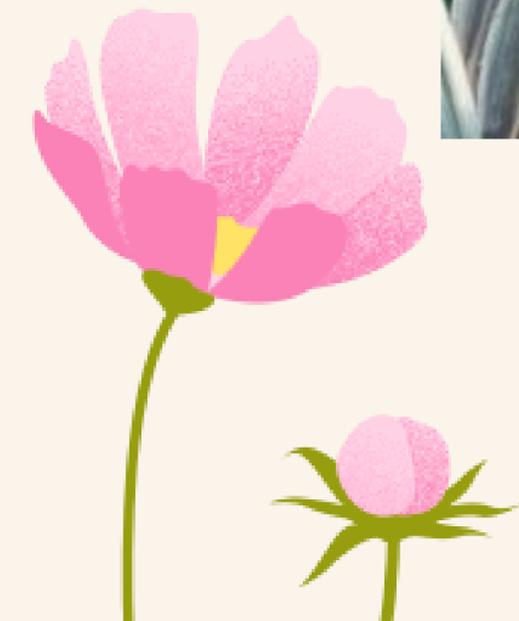

01

**Not having awarded His
widowed mother to anyone
would have left he
vulnerable to a life of
poverty, prostitution or
worse**

The decision to give her over to John (the disciple) raises the question about his relationship with His siblings.

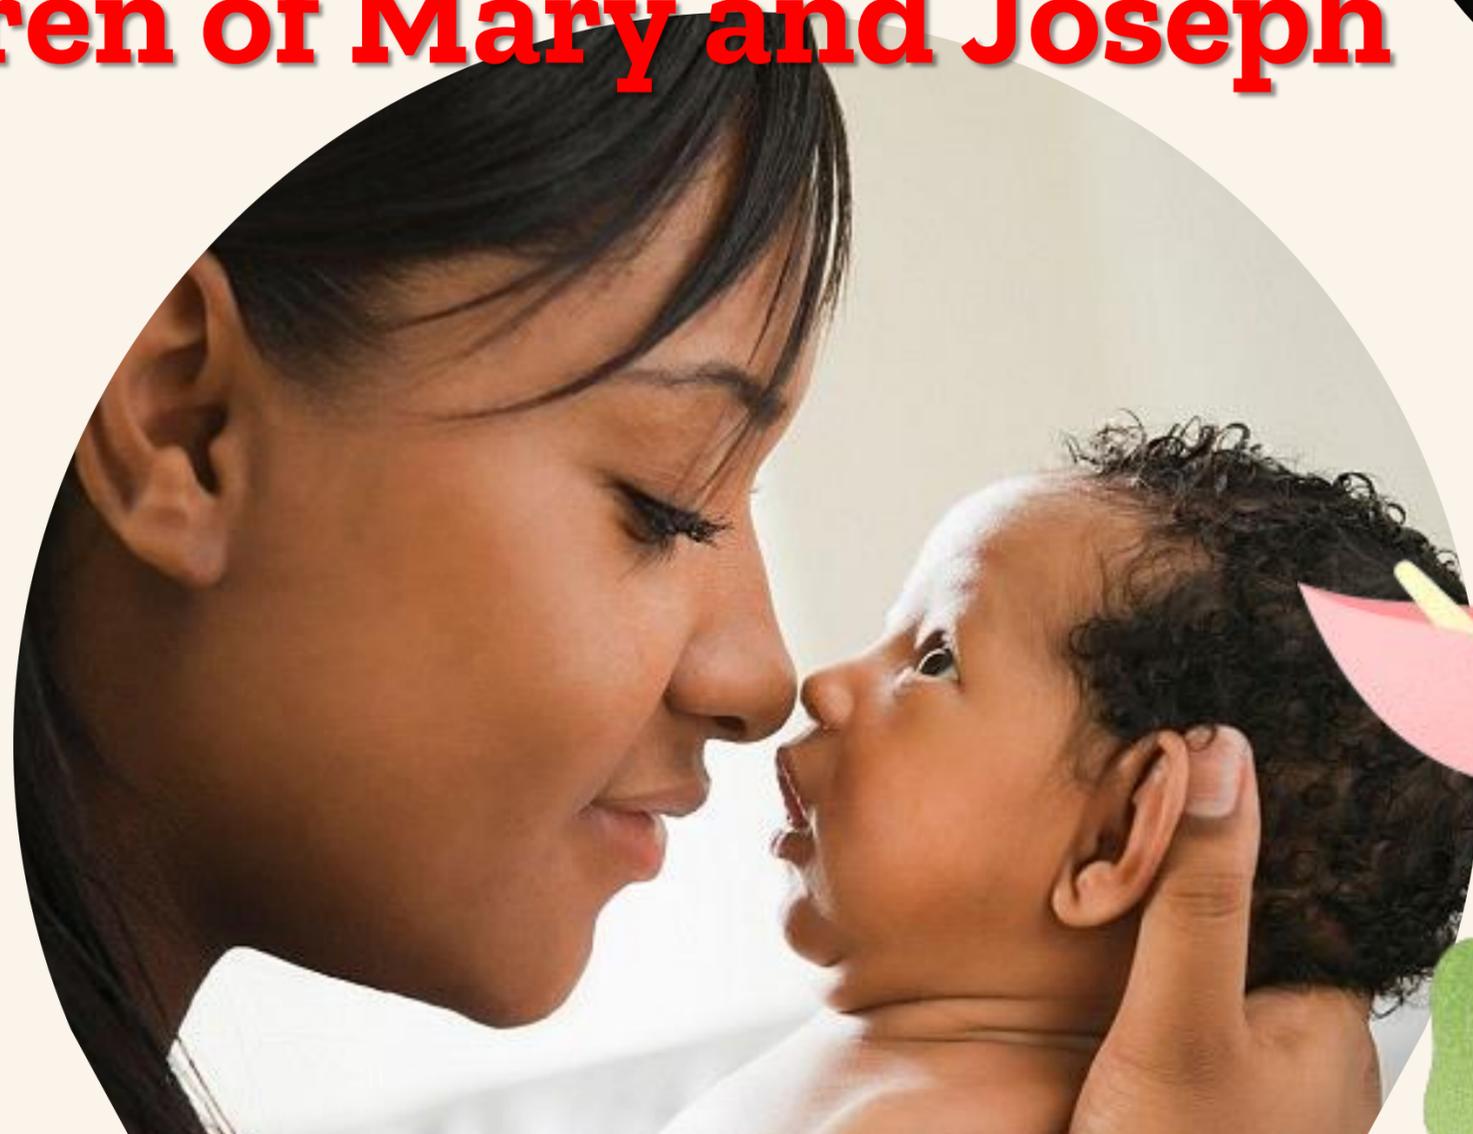

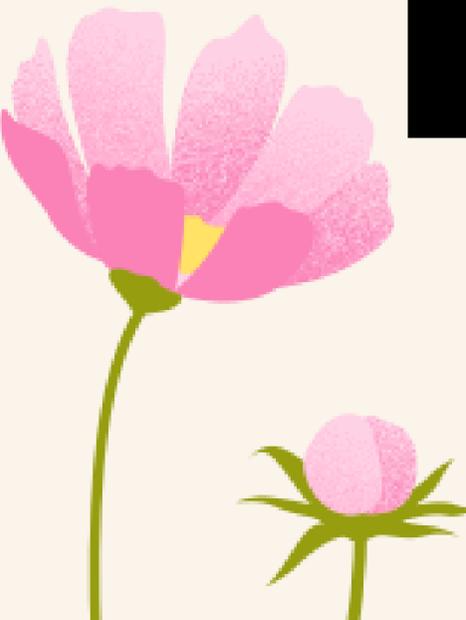

Roman Catholics argue that His siblings were older and from the Union of Joseph with a previous or another wife.

A blue hydrangea flower with green leaves, located in the bottom right corner of the yellow background.

Protestants believe that Jesus was Mary's oldest child and that His siblings were later children of Mary and Joseph

The debate between the two is in the theological category of called Mariology.

Thank you for watching!
