### *Day Photographic Trip to Lovers Key*

*April 9, 2021*

*8:00 am to 4:00 pm*

It is time to explore the beautiful surroundings of where we all chose to live.

We will meet at 8:00am at the Cape Coral Art League to travel by car to Lovers Key State Park.

The park is located on Estero Blvd. and is considered part of Ft. Myers Beach.

Travel time is approximately 50 min. each way.

The Park is filled with amazing sights...swimming, shelling, and picnicking. There are over 2 miles of sugar-sand beaches. With the Gulf of Mexico as its backdrop.

Your Lunch will be provided, as well as entry fees into the Park, and an amazing day will be provided by me. We will venture out to Photograph the surrounding Flora and Fauna, as well as the glorious waves that reach the beach. Snorkeling is available...if you want to venture into the gorgeous water. Of course, do not forget to look for shells and keep your eyes open for all sorts of wildlife. Many a time I have seen dolphins playing offshore. I love just sitting and listening to the gulf breeze and the sound of the waves hitting the shore.

Come along with me on this fantastic Day Trip, where all you need...is your camera, some sunscreen, and a towel, maybe a small folding chair. The trip is limited to 10, so sign up early, so you will not miss out. Questions...Let me know...
