

Due to COVID-19 concerns and the current rules of the State of New Mexico, we do not see how we can proceed with our retreat for the 2020 year. We will be postponing all plans for 2020 to the year 2021. Lord willing, the retreat will be September 24-26th, 2021 with Bobbie Harlan as dean, Dorie Fannin as Assistant Dean and Mikala Reznik as the treasurer. Our main speaker will be Terri Jenkins and you know with us giving her an extra year, it will be GREAT!

We are putting together a giving campaign to continue to support Guadalupe Christian Camp. They are in need of some funds to complete their cabin project and they also need to purchase some additional gravel to spruce up the RV circle. If you can send the money you set aside for the offering and registration this year to help with these projects, we would greatly appreciate it. We will accept offerings through 10/31/2020 via our website or you can mail a check to:

Guadalupe Women's Retreat

or

If you choose to give on line, just pick a 15 minute "appointment" spot and the amount you want to give up to \$500. Please spend that 15 minutes in prayer for our country, our camp, our retreat and our leadership. We miss you all and look forward to great fellowship in 2021!!

Until we meet again dear friends,
