

## Terri Jenkins

Terri lives in Mansfield, Texas and attends Compass Christian Church where she teaches 3 and 4 year olds. (She feels like this fully qualifies her to teach anyone...) She has also been a nursing instructor for approximately 20 years, 15 at the University of Texas at Arlington. She has been married to Jerry for 47 years and they retired from full-time ministry a couple of years ago. Part of their ministry time was spent in Carlsbad and Hobbs—that is why she loves Guadalupe Christian Camp so much. They have three children and six wonderful grandchildren (If you doubt that, you should just ask her...)
