**FEATURING GUEST
SPEAKER
TRICIA BROWN**

Tricia Brown was born in Houston, Texas, but raised on the mission field by her parents who served in church planting and pioneering ministry in Ireland. Following in their footsteps, Tricia has been involved in full-time ministry across Europe, Asia, Africa and S America for 37 years and has traveled to over 40 nations around the world, including three years in China working with the underground

church. She now lives in Oklahoma with her husband JD and together they are Directors of Expeditions at Overland Missions and travel extensively as full-time missionaries bringing the Gospel of hope to predominately neglected and unreached people groups worldwide. They have two beautiful children, Lila and Boaz, whom she happily homeschools. Some of her favorite things are leading worship, creating anything beautiful, and being wife, mother and helper to her husband and children.
