PARENT HANDBOOK 2022

for a healthy and safe summer

Dear RHCC Day Camp Families,

Thank you for choosing Richmond Hill Country Club Day Camp this summer! We look forward to welcoming you and your child on Opening Day! This summer we are committed as ever to creating a safe, fun, inclusive, and memorable camp experience for your child and every camper.

Whether this is your first summer with us, or your child has attended RHCC Day Camp before, please take the time to carefully review the following pages. This handbook contains useful information we want you and your child to know so their time with us is as enjoyable as possible.

At camp, your child will have the opportunity to experience a variety of activities and experiences that will remain with them for the rest of their lives. Our vision is to positively impact the lives of children and youth with skills and great memories that last a lifetime.

At Richmond Hill Country Club Day Camp, our goals are:

- **BUILDING SKILLS:** Campers should be exposed to a wide variety of activities, become more proficient in skills that they are passionate about, try new things and cultivate skills.
- **PROVIDING A SAFE ENVIRONMENT:** Campers should have a physically and emotionally safe and fun environment that allows each campers' unique interests and abilities, and differences to be respected and nurtured
- **DEVELOPING SELF CONFIDENCE & SELF AWARENESS:** Campers should be given the opportunity to grow as individuals and develop confidence in their abilities
- **BUILDING RELATIONSHIPS WITH OTHERS:** Campers are encouraged to nurture their creative spirit and develop a sense of self-understanding that allow campers to make friends and foster lifelong friendships

Plans are underway to make Summer 2022 our best summer yet! We have jam-packed our days with creative, exciting, and well-organized programs. Our goal is to keep your children safe, energized, stimulated, and most of all - happy each and every day. Camp is about connection: to each other and to the outdoors.

As you read through this handbook you will get a glimpse into what our camp is all about. We have attempted to anticipate questions and concerns that are important to parents and campers, and hope to provide all the information that you may need. However, our phone lines are always open and one of our friendly senior staff members will be more than happy to assist you anytime, all the time!

Communicating **WITH PARENTS**

Jay Wolkoff

Wendy Rom

Dante Young

Communication between parents and the camp is a crucial part of building a strong and long lasting relationship and ensuring each child receives the best camp experience possible. We want to hear from you anytime you have a compliment, concern or constructive criticism.

We pride ourselves with our open lines of communication. In past years, we have enjoyed chatting in the morning at drop off or getting updates on the day during pick up. Furthermore, parents were always welcome to come and visit us in the office.

Communication is done through email or phone. Please note that it may take up to 24 hours to respond to inquiries. Communication received after camp hours will be followed up the following day.

Keeping open lines of communication with each camp family has always been and continues to be a #1 priority.

PARENT DROP-OFF & PICK-UP

Extended Hours

Our Extended Hours program operates from 7:45 am to 5:45 pm. This program is by registration only and must be arranged prior to the start of the session.

In the morning, campers can be dropped off as early as 7:45 am. Parents must accompany their child to the playground area in front of courts 19 & 20.

In the afternoon, parents are to come to the Programming Office, located in the trailer in the parking lot, to request your child. You can also call ext. 258. Your camper(s) will only be released if the individual picking up has the Camper ID card, which is emailed out prior to the start of the session.

Absent from Camp?

If your child is absent from camp, it is important that you contact the camp to let us know why your child is away by phone or email.

Daily Pre-Screening Form

Each day you must complete the [screening survey](https://form.jotform.com/mblois/covid-screening-form) prior to drop off. If your campers have passed the screening, you will receive a picture of a **different** animal each day, which you will need to show at drop off. If your child does not pass the screening for any reason, please reach out to the camp.

<https://form.jotform.com/mblois/covid-screening-form>

Morning Parent Drop Off

Camp hours are 9 am to 4 pm daily. In order to help alleviate line-ups and ensure that the arrival process runs smoothly, please drop your camper(s) off at the 10 minute time-slot listed below. If you have multiple camper(s), please drop your children off at the earlier time-slot.

Golf Academy – 8:35 am – 8:45 am

Tennis Academy – 8:35 am – 8:45 am

Grizzlies – 8:45 – 8:55 am

Tiggers – 8:45 – 8:55 am

Coyotes – 8:45 – 8:55 am

Jaguars – 8:55 – 9:05 am

Cheetahs - 8:55 – 9:05 am

Sports – 8:55 - 9:05 am

CITs – 9:05 am

Each morning, drop off will take place at the entrance to the campsite (at the top of the hill). There are two ways to drop your camper(s) off:

- **Kiss & Ride** – in the barricaded section of the parking lot, enter the kiss and ride line-up. Your child can exit the car independently and check in at station 1 or 2. Please be sure to have everything ready for your child to exit the car when you are in front of station 1 or 2. Campers should exit the vehicle on the passenger side. Please be patient as this process will take approximately 1 minute per vehicle.

Morning
DROP OFF

- **Park & Walk**— park your car in our parking lot and walk your child to station 3 or 4 to check in. This is the suggested method if your child has difficulty transitioning in the morning..

Once check-in is completed, your child will have their hands sanitized and then will proceed to the campsite to meet their counsellors and group.

If you are arriving after 9:10 am and there are no staff to greet your child, please call the camp office and a member of our Health Care Team will meet you at the entrance to camp.

We know there may be delays in checking in your child in the morning, especially at the start of a new session. Please leave time so you are not late for work/ appointments. We thank you in advance for your patience. Please know that we are doing this for the safety and well-being of our campers and staff. Together, we can ensure a healthy camp community.

End of Day Parent Pick Up

As usual, we will be staggering the dismissal of our camp program. The most eastern part of our parking lot will be barricaded. Please do not drive your vehicle into this area during the dismissal time as the campers will be dismissed from this area.

Grizzlies – 3:50 pm

Tiggers – 3:55 pm

Coyotes – 3:55 pm

Jaguars – 4:00 pm

Sports – 4:00 pm

Cheetahs - 4:05 pm

CITs – 4:05 pm

Tennis Academy – 4:05 pm

Golf Academy – 4:05 pm (campers will be dismissed from the Country Club)

PM Extended Hours – ends at 5:45 pm

Your child will be brought into the barricaded section at the time indicated above. We ask that parents park as close to the zones listed below so you can see when your child's group arrives. In order for your child to be released, you must show your camper ID card (emailed to you before the start of your session). This card can be saved on your phone for ease of access.

Early Pick-Up

If you are picking up your child early from camp, please be sure to provide us with as much advanced notice as possible. Please call the camp office when you arrive. A member of our team will bring your child to your vehicle for safe dismissal.

PICK UP

CAMPER ID CARDS

RHCC DAY CAMP

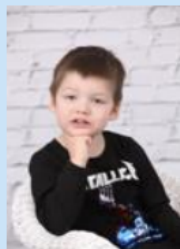

Camper Identification Card

At dismissal, you are required to present this card to a senior staff member

Child's Name: John Smith Cabin: Coyotes 1

Parent(s) Name: Jane Doe

You may screenshot and save in your photos for the session

Camper ID Cards are used as a quick method to check out campers from camp. When picking up your child, you will be asked to show your Camper ID Card to a member of staff. This camper ID card is generated by RHCC Day Camp and is emailed to families the week prior to the start of the session. We suggest that you save this card on your smartphone by taking a screenshot of it or downloading it to one of your files. Alternatively, you may print and carry the card with you during pick up.

Is someone else, like a grandparent or a neighbour, picking up your child? Send them your Camper ID card so they can show it upon arrival at the camp.

Important INFORMATION

Lost & Found:

Camp is a very busy and exciting place to be. From time to time, your child may misplace something. If it is labelled, we take every opportunity to return it to the child the next day. If it is unlabeled, it is placed in our lost and found bin and parents are welcome to search for the item. If your child has misplaced something, we would be happy to look for it. Please email us at rhccdaycamp@gmail.com.

Sun Safety

We are a certified Sun-Aware camp! Staff are trained to ensure campers' safety at all times! We strongly suggest that campers bring spray sunscreen and a sunscreen stick for the face. Sunscreen should be applied prior to arriving at camp. It will be re-applied after swim and throughout the day as needed.

All campers should be wearing a hat and cover up throughout the day.

EXTREME HEAT & RAINY DAYS

We are prepared to handle all weather at camp. To beat the heat, we encourage campers to re-apply sunscreen, wear a hat, drink water, stay in the shade, or keep cool in our air-conditioned indoor facilities. In heavy rain or extreme conditions, programming continues as usual in our indoor locations. Please monitor the weather reports and send the appropriate clothing and footwear for the weather.

HEALTH CENTRE

Our Health Centre is staffed at all times during the camp day. The Health Centre staff are on site to respond to all medical issues as well as administer required medication.

It is the responsibility of the parent/guardian to notify RHCC Day Camp of any changes to the information provided on the Camper Health Form (completed at the time of registration) so that we have the most recent medical information for all campers.

In the event that your camper visits the health centre you will be notified of the visit, either by email or by phone, with details of the visit. If the camper needs to be picked up the parent/guardian will be notified immediately.

Please do not send your camper to camp if it is suspected that he/she is not feeling well.

If your camper has been home ill, they must be symptom free for 24 hours upon returning to camp.

Important INFORMATION

If your camper has a fever, once the fever has been controlled for over 24 hours without medication, the child is usually safe to return to camp. However, your child may still need to stay home if they are continuing to experience other symptoms, such as diarrhea, vomiting, or a persistent cough.

Head Lice:

We must take extra precaution to limit the transmission of lice at our camp. Though bothersome, head lice will not harm children and adults, nor cause illness. Having head lice does not mean a person is unclean or the environment is dirty. Head lice are almost always transmitted from one person to another by head-to-head contact.

Please note: It is the responsibility of parents/legal guardians to notify the Camp Office, in writing, if there is any change in the health of your child between the time of completion of the Camp Health Information form and their arrival at camp or throughout their summer session.

ALLERGIES – WE NEED YOUR COOPERATION!

A number of campers at our camp have Life Threatening Allergies to food such as nuts, nut oils, various fruits and vegetables, as well as certain food additives. To protect these campers, we must insist that **NO FOOD OR JUICE OF ANY KIND BE SENT TO CAMP WITH YOUR CAMPERS.**

At RHCC Day Camp, we provide all food and snacks during the camp day for both our campers and staff to ensure the safety of everyone. The food and snacks we provide are all nut free. **NO OUTSIDE FOOD OR SNACKS ARE ALLOWED ON THE CAMP PROPERTY.**

It is very important that you inform your caregiver **NOT** to pack any food or juice. Please support us in our continuing efforts to provide the safest measures for all of our campers!

Anaphylaxis is a serious allergic reaction that can cause someone to go into shock, and in a worst case scenario, can lead to death. Our staff at RHCC Day Camp are educated and trained on anaphylaxis and how to use an epi-pen. All of our staff, including Catering and the Executive Chef, are notified and briefed of camper food allergies and restrictions.

As a precaution and easy way to identify campers with life-threatening allergies, campers who carry an epi-pen will be required to wear a red bracelet as a visual to all staff who may interact with your child.

Thank you for your continued support and to ensure we provide the safest measures for our entire camp community.

Important INFORMATION

MEDICATION & MEDICAL CONDITIONS

No medication can be given at camp without the permission from a camper's parent/legal guardian. This includes prescriptive and all over-the-counter medication.

If you are planning to send medication, it **MUST** be in the **ORIGINAL BOTTLE** labelled with the camper's name, name of medication and dosage required and time to administer the medication. Please complete the form found in appendix A: Administering Medication. Send enough medication for camp use only, leaving the remainder at home.

Medication may be administered by the Health Centre or a person designated by the nurse or the Camp Director.

Important Note- In case of communicative diseases such as COVID-19, Chicken Pox, German Measles, Pink-Eye, Lice, Hand Foot & Mouth, Contagious Illnesses, or Serious Flu, with any member of your family **PLEASE NOTIFY THE CAMP OFFICE IMMEDIATELY!** There are children at our camp that could suffer a fatal reaction to communicative diseases. You **MUST** notify the camp if your camper is a carrier!

Birthdays at Camp

Birthdays that take place while your child is at camp are always special! Your child will spin the birthday wheel for a special activity, such as "pie your counsellor" or a golf cart ride on their special day. At lunch, your child's cabin will get to celebrate with cupcakes! Please note: no outside food will be permitted to celebrate.

Things to leave at home

- Please do not send cell phones or any other electronic equipment to camp (i.e. iPods, iPads etc.).
- Please do not send your camper with toy guns, knives or weapon toys.
- Leave toys, dolls and stuffed animals at home! We cannot be responsible for favourite toys that go missing!
- No outside food or drinks (other than water) are allowed on the campsite. Sunflower seeds and gum are not permitted this year at camp.

Session Transitions

At the end of every two week period, we say goodbye to some of our campers and prepare for new campers to join our program. During these periods of transition, we endeavor to keep camp as consistent as possible.

Safety first

Important INFORMATION

Swimming at Camp

All campers (except for the Academies and CITs) receive both an instructional swim (AM) and a recreational swim (PM) daily. Instructional swim takes place in the outdoor pool (weather permitting) and we use the indoor pool for recreational swim in the afternoons to get out of the sun and due to the layout of the pools.

Our goal for swimming is to cultivate a love for the water through the development of skills, confidence and an understanding of water safety in the pool. We utilize floatation devices and creative learning techniques with our instruction. We follow the Lifesaving Society Learn to Swim Program offering all levels, skills, and safety education.

Each swim period is 35 minutes in length. The Swim Instructors and Lifeguards are on the deck instructing, lifeguarding and supervising the pool during this time. Camp counsellors will be in the water with their campers.

At the end of the session, you will receive a Swim Report Card emailed to you on the progress they made during the session. If your child is able to pass a swim level, the badge will be sent home.

Please know that the Swim staff at RHCC Day Camp understand that campers may not have participated in swim lessons or even been swimming throughout the pandemic. Our staff will be extremely supportive and will encourage campers to ease the transition into the pool.

If you have questions regarding the swim program or the progress of your child, please email or call the Camp Office and the message will be given to the Head of Swim. Please note that it is not possible to speak to the swim staff during the camp day.

LUNCH

Lunch is provided to each camper, prepared by Club Catering, on a two-week menu rotation. Food will come pre-packaged and delivered to our campers. Our menu, listed below, is subject to change.

Week 1

LUNCH

Day of the Week	Main	Side	Dessert

Tuesday	Penne with Meat Sauce on side	Roll	Brownie
Wednesday	Chicken fingers	Diced Potatoes	Chocolate chip cookie
Thursday	Grilled Cheese	Mac Salad	Chocolate pudding
Friday	Burger	Diced Potatoes	Bag of chips

Cheese, jam, and turkey sandwiches are available as an alternative to the daily menu items. Gluten free and vegetarian meals can be arranged in advance by emailing the camp two weeks prior to the start of the session.

SNACKS

Campers will be provided with a snack bag, with two items (ex: fruit, cheese string, yogurt tube) and a juice box daily.

1 Camper Behaviour Policy

At RHCC Day Camp, our primary priority is to promote a safe, caring and supportive environment in order to optimize camper and staff safety, effectiveness and respect within each cabin group and at camp in general.

The discipline of campers begins at home with parents/guardians who are the first and primary caregivers for their children. This includes responsibility for social development, behaviour and discipline. RHCC Day Camp encourages a partnership with parents in support of campers' social and emotional growth. Clear behavioural expectations support camper engagement and are based on meaningful communication between peers, parents and staff at camp.

Staff strive to create a positive camp culture that reinforces positive and productive behaviours while providing predictable and supportive consequences to behaviours that are identified as being inappropriate. It is the intent in all situations involving aggression to achieve fairness in consequences for the aggressor and support the victim. Campers become aware of the consistent discipline approaches employed by camp staff and supervisors when a child exhibits inappropriate behaviour. When inappropriate behaviour occurs, progressive discipline practices are used. These practices include a wide range of positive practices to teach, reinforce and address behaviour. Parents are always informed if a situation arises.

2 Camper Discipline

There will be times during camp when it becomes necessary to be authoritative with a camper. Cabin Counsellors will speak individually with the camper

- To encourage a camper to use words to solve disagreements peacefully.
- To re-direct a camper to a new activity.
- To remove a camper from the activity/group until the camper is ready to rejoin the group.

Should the behaviour continue, or if the behaviour is extreme, the camper will be brought to the camp office to speak to their Unit Head or Camp Director.

At the discretion of the Director of RHCC Day Camp, a camper may be removed from camp if the camper has demonstrated, through a pattern of behaviour, that she/he has not prospered by the care and instruction available to her/him and that she/he is persistently resistant to making changes in behaviour which would enable her/him to prosper. The Director may ask that a camper be removed for 1 day or longer depending on the nature of the behaviour. RHCC Day Camp will do its very best to ensure all campers are safe at all times. Unfortunately, we will not refund a family for days missed due to a camper's inappropriate behaviour.

RHCC Day Camp ensures that staff are well trained and prepared to care for children. Along with training in creative programming, daily routines and general planning, staff are well trained in COVID-19 protocols, Epi-pen and Emergency Procedures.

3 Planning for a Healthy & Safe Summer

For the past two summers (during 2020 & 2021), RHCC Day Camp has been able to operate the highest quality program while keeping all campers and staff safe with zero COVID cases. We followed all Ministry of Health & York Region Public Health protocols and guidelines and will continue to follow any guidelines that are put forth as the summer evolves. RHCC Day Camp reserves the right to alter our policies to adapt to any new protocols and guidelines to fit any Public Health guidance.

Vaccinations: While we do not require that campers are vaccinated as a condition of attending camp, we are still strongly recommending that campers are vaccinated when eligible.

Daily Screening: Each camper must participate in the active screening process in order to be admitted to camp. Please complete the screening survey for your camper(s) that are attending camp that day. Once you have completed your screening, screenshot the animal that pops up following a pass to show to a member of our team upon arrival. Each day, a different animal will pop up to ensure that active screening is taking place each day.

Food: All food will be prepared fresh daily from the Club Catering Department and will be delivered to the campers prepackaged to ensure food safety. Campers will not be permitted to share any snacks or drinks.

Enhanced Cleaning: There will be enhanced cleaning of our washrooms and high touch surface areas. Specialty areas will be cleaned before the next group arrives.

Hand washing/sanitizing: Campers and staff will continue to practice good hand hygiene throughout the day.

Masking: Masking is a personal decision of the family. Campers and staff can continue to mask if they so choose. Masks are not required to be worn unless Public Health deems an outbreak at camp and advises us to do so.
