◆ CORE LEGAL DOCUMENT PROMPTS

1 Complaint for Injunctive Relief

Prompt:

*"Generate a federal court **Complaint for Injunctive Relief and Declaratory Judgment** against Elon Musk, the Department of Government Efficiency (DOGE), and the U.S. Treasury. The complaint should argue that DOGE's control over the Treasury payment system violates the Nondelegation Doctrine, the Separation of Powers, and the Due Process Clause. Reference case law including *Gundy v. United States* (2019), *Seila Law LLC v. CFPB* (2020), and *Loper Bright Enterprises v. Raimondo* (2024). The document should establish the plaintiff's standing by stating that they receive federal unemployment benefits and could be harmed by DOGE's actions. Format it for filing in the U.S. District Court, including jurisdiction and venue details."*

2 Motion for Preliminary Injunction

Prompt:

*"Create a **Motion for Preliminary Injunction** against Elon Musk, DOGE, and the U.S. Treasury. The motion should request an immediate court order to prevent DOGE from interfering with the Treasury payment system. It should explain how DOGE's control creates an imminent risk of disrupting unemployment benefits, violating constitutional principles. The motion must include a*

Memorandum of Points and Authorities, citing relevant case law (e.g., Winter v. Natural Resources Defense Council (2008) for TRO standards) and demonstrating irreparable harm. The formatting should comply with federal court requirements."

3 Declaration in Support of Injunction

 **Prompt:**

*"Draft a **Declaration in Support of Motion for Preliminary Injunction** for a pro se plaintiff filing against Elon Musk, DOGE, and the U.S. Treasury. The declaration should include personal testimony about how the plaintiff relies on unemployment benefits, how DOGE's actions create an immediate threat, and why injunctive relief is necessary. The document should follow the legal format required for declarations filed in federal court, ending with a penalty of perjury statement."*

4 Certificate of Service

 **Prompt:**

*"Generate a **Certificate of Service** for a federal lawsuit against Elon Musk, DOGE, and the U.S. Treasury. The certificate should confirm that the plaintiff has served copies of the Complaint, Motion for Preliminary Injunction, and supporting documents to each defendant. Specify service via certified mail, return receipt requested. Format it according to federal court filing standards."*

5 Summons

 **Prompt:**

*"Create a **Summons** for a lawsuit against Elon Musk, DOGE, and the U.S. Treasury. The document should include official instructions requiring the defendants to respond within 21 days, notifying them of the lawsuit. Provide instructions for serving the summons via certified mail and include references to Rule 4 of the Federal Rules of Civil Procedure."*

6 Motion to Proceed In Forma Pauperis (IFP)

 **Prompt:**

*"Generate a **Motion to Proceed In Forma Pauperis (IFP)** for a pro se plaintiff filing a lawsuit against Elon Musk, DOGE, and the U.S. Treasury. The motion should formally request a fee*

waiver due to financial hardship, including an affidavit of financial status detailing the plaintiff's income, expenses, and lack of assets. Ensure compliance with federal court filing standards."

◆ SUPPORTING DOCUMENT PROMPTS

7 List of Defendants & Addresses for Service

Prompt:

"Generate a formatted list of defendants and their official service addresses for a lawsuit against Elon Musk, DOGE, and the U.S. Treasury. Ensure the addresses are correct for serving legal documents via certified mail, return receipt requested."

8 Filing Instructions for PACER

Prompt:

*"Provide **step-by-step instructions** for filing a lawsuit in the **United States District Court for the Eastern District of California** via PACER. The instructions should include account setup, e-filing procedures, document format requirements, and guidance on tracking case progress after submission."*

9 Legal Precedents & Case Law Summaries

Prompt:

***Summarize key legal precedents that support a lawsuit against Elon Musk, DOGE, and the U.S. Treasury. The summary should include:*

- **Gundy v. United States (2019)** (Nondelegation Doctrine)
 - **Seila Law LLC v. CFPB (2020)** (Separation of Powers)
 - **Loper Bright Enterprises v. Raimondo (2024)** (Executive Overreach)
 - **Winter v. NRDC (2008)** (TRO Legal Standards) Explain how each case strengthens the legal arguments in the motion for injunctive relief.**
-

◆ ADDITIONAL PROMPTS FOR CUSTOMIZATION

10 Customizing a Complaint

 **Prompt:**

*"Adapt a **Complaint for Injunctive Relief** so that any affected individual can personalize it with their details. Create editable placeholders for name, address, date, case number, and specific harm suffered. Provide instructions for tailoring legal arguments to the plaintiff's unique situation."*

11 AI-Assisted Legal Document Review

 **Prompt:**

*"Review a **legal document for accuracy, formatting, and legal soundness**. Ensure that it adheres to federal court standards, corrects any errors, and strengthens the argumentation based on case law. Suggest improvements and flag any missing legal elements."*

12 Step-by-Step Guide to Serving Defendants

 **Prompt:**

*"Write a **detailed guide** explaining how to serve **Elon Musk, DOGE, and the U.S. Treasury** with legal documents. Include instructions for serving via certified mail, how to track delivery, and how to file a **Certificate of Service** with the court. Provide tips on what to do if the defendant refuses service."*
