WARRANTY: Your unit has a warranty for the lesser of THREE MONTHS / THREE THOUSAND MILES. The unit is tested before it leaves ACS and is warranted to be merchantable and fit for its particular purpose in accord with the manufacturer's standards. Should a defect occur in the performance of the unit during the warranty period, you will return the unit to ACS along with proper forms and documentation. ACS will determine in their sole discretion the cause of the malfunction. If the malfunction is covered by the Warranty, then ACS will attempt a repair. If ACS determines that a repair cannot be effected, then ACS will return the unit to the Customer. Technical Support will only be provided for the part(s) or repair(s) performed by ACS. Warranty extends only to the customer and is non-transferable. Only parts repaired / replaced by ACS are covered by this warranty. Customer is responsible for all costs of shipping and insurance. Warranty does not cover: damage due to pre-existing electrical shorts; any P0600 codes; percussion to the unit; vehicular accident; loss of communications to the unit; fire; damage due to exposure to liquids; improper exposure to electricity; loss due to theft, misplacement or mishandling of the unit; loss during shipment; acts of God; unavailability of parts in the market at large; or other parts which may malfunction simultaneously or subsequently. Customer's failure to pay the balance due on any pro-rated repair or replacement under this Warranty voids the Warranty. Any tampering whatsoever with the unit or its programming voids the Warranty. Installation of after-market products by Customer voids the warranty. There is NO WARRANTY FOR PROGRAMMING.
