

Fishing Area . . .

Walk on and 4x4 anglers may fish where ever they like in between 31st and 110th streets in Long Beach Township aka Brant Beach. If a walk on angler gets a fishing area before someone in a vehicle, they were there first. These are the multi use beach rules of the tournament. This rule is also for local non participants of the tournament. Otherwise, first come first serve!

Landed fish are encouraged to release fish alive. Anglers are advised to bring a bucket or container to keep their catch alive. Judges will determine if the fish was released alive and well. We recommend this time of year you use a large cooler or storage container.
