

## Fishing Area . . .

Walk on and 4x4 anglers may fish where ever they like in between 40th and 80th streets in Long Beach Township aka Brant Beach. If a walk on angler gets a fishing area before someone in a vehicle, they were considered there first. These are the multi use beach rules of the tournament. This rule is also for local non participants of the tournament. Otherwise, first come first serve!

Landed fish are encouraged to be released alive. Anglers are advised to bring a bucket or container to keep their catch alive as long as possible until scored.
