

Welcome

Welcome to the American Angler Classic, a surf fishing tournament brought to you by American Angler Fishing Club. The American Angler Classic will be held in Long Beach Island, NJ on Sunday, October 16, 2022. Mobile judge stations will be every 500 feet or so. Due to the COVID19 Pandemic, the awards MAY NOT be in person this year. They will be announced virtually at a later date TBD, most likely later that day or days after the tournament. This tournament is limited and early Registration is advised. Join us on the beach!

Fishing Area . . .

Walk on and 4x4 anglers may fish wherever they like in between streets in Brant Beach. If a walk on or local non registered angler gets a fishing area before someone in a vehicle, the walk on or non registered angler will have the rights to that location. Please just move. Two miles of beach are available for this tournament. Otherwise, first come first serve!

Landed fish are encouraged to be released alive. Anglers are advised to bring a bucket or container to keep their catch alive. We recommend this time of year you use a large cooler or storage container.

 - Kingfish = 10+ inches
 - Striped Bass = Slot size between 28-37.99 inches

Note: Minimum length for this tournament may differ from New Jersey saltwater regulations. Sharks, Skates, Sea-Robins and other species not above do not get scored! Refer to the current Marine Digest for saltwater fishing regulations.

- Fishing starts 7am and ends at 1pm. Strictly enforced. No fishing prior to 7am.
- Fish caught from any boat, surfboard or other floating device will not be eligible.
- Fishing will be done anywhere in a designated area of the beach that is about a 2 mile area.
- Terminal tackle will be limited to 2 hooks. A plug counts as 1 hook. Individuals are limited to 2 rods while fishing.
- All fish MUST be measured where caught. Mobile Judges will be available to measure both catch and release fish and kept fish.
- All kept fish will have a vertical cut in the tail by judges to show the fish has been measured.
- Fish shall be measured from the tip of the snout to the tip of the tail (tail swiped).
- Fish will be scored to the nearest 1/4 inch once beyond the minimum length is achieved. In case of a tie, a girth of the fish can be requested at the time of scoring. Largest girth will break a tie. If a second tie breaker is needed, first fish landed will be the winner of the tie breaker.

- This is a rain or shine tournament. Registration fees are non-refundable. Be prepared for foul weather.

- Participants may enter as many fish to be scored no matter what qualifying species. However, only the 3 largest fish in the two categories will be winners.
- Only one prize per winner in categories. No combinations, 1st, 2nd or 3rd place combinations, etc. Adults cannot win any prizes in the kid's category and Kids cannot win prizes in Adult Category. Any prizes not won will be returned to American Angler.
