

Spring 2018 Newsletter!

Dear Parents

After a chilly start to our Spring we are glad to see that the weather is turning!

Recently, many of you have had Parents evening for your children and we are thrilled to hear that progress is being made. It's important that we receive feedback so that we can build on areas where your children need further support if necessary.

Our tutors remain dedicated to supporting your children and work hard to make this happen, as you know.

Since our last Newsletter, we can share with you that there are now 12 tutors on our team who offer a wide range of specialisms; from Foundation Stage to GCSE. Our newest team member is Sarah Duncan, who is a Reading Recovery Teacher and also specialises in the teaching of phonics. Sarah intends to deliver a Reading Surgery for parents-details to follow in due course.

It is that time again, our Year 6 children continue to work hard in the lead up to SATs and we look forward to welcoming many of them on our revision courses during Easter.

Congratulations to all our children who have recently sat and passed entrance exams for their next school! What an achievement, well done!

From the team at Tutor With Confidence.

Easter SATs Revision

April 4th, 5th, 12th and 13th.
10-12pm

Year 6 parents-please contact us if you'd like to book your child on to any of the SATs revision courses as follows:

April 4th: Maths Reasoning Skills (FULL), Alderley Edge

April 5th: Reading Comprehension Skills, Alderley Edge

April 12th: Grammar, Punctuation and Spelling, Wilmslow

April 13th: Reading Comprehension Skills, Wilmslow

Cost per session is £20 per child, please pay on the day-thank you!

We love.....

<http://spellingframe.co.uk>

Finding it hard to encourage your child to practice their spellings?

Spelling Frame is an online tool which takes spellings from the National Curriculum (by lower key stage and upper key stage) and gives various activities to help memorise them. Children get to practice spellings by their spelling rule and then are tested.

Summer Tutoring

As the summer is such a long break, we will be offering summer tutoring to current Year 6 children in order to prepare them for High School. You may decide to end tutoring going in to Year 7, but this way, with our GCSE tutors, we are able to provide a bridge to help that next step not seem so daunting. Please contact us if you are interested.

If your child is not in Year 6 and you would like to continue tutoring over the summer, please let us know.
