

Winter 2018 Newsletter!

Dear Parents

Welcome to our Winter Newsletter. We have lots of exciting up-coming events and tips to aid your children's learning that we'd like to share with you.

Hope you enjoy the Reading Recommendations that we have sent you; ideal for Christmas presents!

Since our last Newsletter, we have added to our tutor family and we are pleased to be able to now offer tutoring for KS3, GCSE and A level in certain subjects. If you would like to know more, please ask!

Sad as it was to lose one of our tutors due to retirement-Judi- we are excited that she continues to tutor for us in Monmouthshire. In addition, Lynne and Mark have joined us in Cumbria as we have links in that area. Lynne and Mark offer tutoring in both primary and secondary subjects.

We wish you all a healthy and happy Christmas. Please keep your tutors informed during this busy period in school and at home, we know what it's like!

Best wishes from the team at Tutor With Confidence.

We love.....

...playing games with money! Teach your children how to give change, round prices and solve problems including money. Use real money at home or out and about. Alternatively, the website below simulates going round a supermarket buying items.
