

Who We are

Our mission is to Serve and Enrich the Quality of Life of the Patients suffering from diseases, particularly Cancer and other chronic illness, through the efficient deployment of Expertise and Technology, in a Caring and Nurturing Environment with the Greatest Respect for Human Dignity and Life, through Holistic approach, with a Team of Doctors, comprising of Oncologists, Paediatricians, Ayurveda specialists, Psychiatrists, Healers and Philanthropists.

The Team has decades of clinical experience and research oriented treatment in treating and improving the life span.

Their guidance and expert knowledge help the foundation to achieve its mission to serve the Cancer community.

Pratidhee Foundation

Pratidhee Foundation established in the year 2020, is a registered charitable trust, with the

Our Focus:

- Our focus is to provide Comprehensive Cancer care to under privileged population since it is crucial, as access to prevention, early diagnosis and treatment options are limited.
- Our main aim is to ensure needy patients get proper Palliative care even in the absence of curative treatment.

How do we do this?

We do this by Collaborating various communities, organisations, Government, MNC's and service minded individuals
