

*Join us for a fun, inspiring evening!*  
**Saturday, February 16<sup>th</sup> at 5:30 pm**

## 12<sup>th</sup> Annual Robotics Crab Feed

Hosted by Team 1662: Raptor Force Engineering

A FIRST Robotics Competition Team of Jim Elliot Christian High School

Interested in investing in student leaders, innovators, engineers and future entrepreneurs? If so, you are invited to come be inspired by the award winning robotics students of Jim Elliot Christian High School at our 12<sup>th</sup> annual crab feed and 2019 robot reveal!

**When:** Saturday, Feb. 16, Doors Open 5:30, Dinner 6:30 pm

**Where:** Vinewood Church, 1900 W. Vine Street, Lodi, CA

**Tickets:** More info and registration: [jimelliotchs.com/robotics](http://jimelliotchs.com/robotics)

**Info:** Contact Chris Davis (916) 730-0166  
or send an email to: [robotics@jimelliotchs.com](mailto:robotics@jimelliotchs.com)

**Gold Table Sponsor - \$600**

**Reserved seating for 8, 16 Raffle tickets, Full screen Ad**

**Silver Table Sponsor - \$300**

**Reserved seating for 4, 8 Raffle tickets, ½ screen Ad**

After an all you can eat clam chowder and crab dinner, prepare to be wowed as the students take the stage to unveil their newly designed and manufactured 2019 FIRST Deep Space robot! This is a great opportunity to inspire future robotics engineers in high school, junior high or even elementary. *We hope you can join us!*
