

# Royal Guard by Alliance

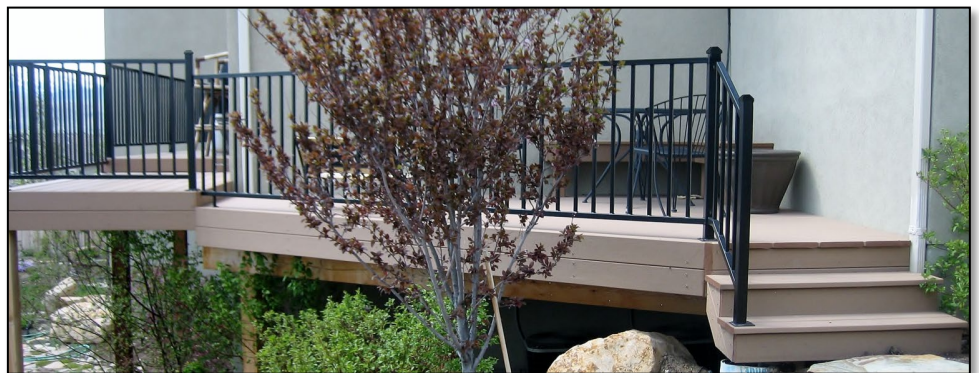

801-852-8542  
701 S 100 E, Provo, Ut 84606

**RoyalGuardRail** ornamental steel railing provides a clean classic appearance that is virtually maintenance free.

Pre-welded galvanized powder coated steel panels are more durable than aluminum and are corrosion resistant. Added UV inhibitors allow for a long lasting finish.

## The Exceptional Low Maintenance Steel Railing

The perfect railing for decks, porches, patios, balconies, and more!

Available:  
Gloss Black  
Matte Black  
(Available upon request)

### Features & Benefits

- Standard gloss black finish touch
- Perfectly smooth rails on both sides
- Easily adjustable for stairs
- 100% pre-galvanized and powder coated iron
- Rigid panel of manufactured steel
- 1 1/4" Square Rails and 5/8" Square Pickets
- Iron railing system easy to install
- Combine with wood or composite posts
- Options: Residential or Commercial
- 10-year manufacturer's warranty

Brackets mount to posts for a no-weld installation. Panels easily adjust manually for stair installation. Simple attachments to wood or composite posts create a distinct look.
