#### *Creating Connections!*

Good day!

Thank you for the intent to donate to our organization, we are already grateful! This 2022, we are packed with exciting plans with our upcoming murals, April's Autism Acceptance and Awareness month, Art Sesh, and Music events!

To give further details, this coming April 9 to April 17, 2022, we will start our painting session for our first mural donation at Tamura Elementary School! We will be delighted to receive your support! Our artists and volunteer helpers may need mural needs, food, and drinks.

For April's Autism Acceptance and Awareness Month, this April 24, 2022, we will be hosting our second AMUSE Foundation's Second Annual Autism Acceptance Celebration **"Creating Connections; Come as you are"** where we will provide fun and exciting activities for all abilities for this Autism Acceptance and Awareness Month!

On the other hand, AMUSE is continuously working on the production of educational training awareness videos, sponsorship of families in the special-needs community, funding for services or emergency needs, resource events, and operational matters.

Thank you for your continued efforts and support. Our foundation is funded solely through donations. Donated products/services will be recognized on our website and are tax-deductible with our 501-c3! All donations go directly back into the organization, and we will continue to provide our community with music, food activities, Autism and Disability resources for families, and expanded accommodations for our special needs community!

Help us continue our mission of educating first responders about possible scenarios and how to interact with someone who has an invisible disability and creating connections within our community while engaging in sensory play!

Thank you for your time and consideration!
