

Re: Recommendation for Khaled Zayed

To whom it may concern:

I am delighted to recommend Dr. Khaled Zayed for a faculty position at your institution.

I have known Dr. Zayed professionally for the past five years. Khaled Zayed graduated with a PhD in International Business Management from the International School of Management (<http://www.ism.edu/>). ISM has locations in New York and Paris.

Dr. Zayed is an entrepreneur that has been in leadership positions for the past 4 years and worked in Information Technology for over 9 years. Khaled Zayed is also a co-founder of a startup (Aspire Tech NJ – IT & Management consulting company). He has provided Management Information Systems and IT security awareness training and concluded a teaching requirement seminar in Paris, France in March 2016 to MBA students (Titled: Information Systems for Managers). The course provides an overview of management information systems, their structure, and the impact they have on organizations.

Dr. Zayed has a passion for teaching and research and seeks a faculty position that allows him to teach, share his knowledge and to achieve his goal of becoming a faculty member. He has been teaching part time since 2016.

Please contact me if you would like additional information regarding Khaled Zayed,

Sincerely Yours,

Ahmad Daraghmeh

Assistant Director of IT and co-founder of Aspire Tech NJ LLC
