Dear Hiring Manager,

I have been working with Khaled Zayed at Rutgers University's Payroll Dept. since October 2016 in Piscataway, New Jersey Busch Campus.

Rutgers, The State University of New Jersey, is a leading national research university and the state of New Jersey's preeminent, comprehensive public institution of higher education. Established in 1766, the university is the eighth oldest higher education institution in the United States. Nearly 69,000 students and 22,000 full- and part-time faculty and staff learn, work, and serve the public at Rutgers locations across New Jersey and around the world.

Khaled has always been supportive to our technical needs and in many cases has resolved technical issues without the assistance of technical staff from other departments or outside vendors. Prior to Khaled's onboarding, we were experiencing many technical issues that were either never resolved or resolved in an ineffective way. Khaled has a positive attitude towards his work and is a very knowledgeable IT professional.

I would not hesitate to have Khaled as a member of my team and organization, and am sure he would excel in almost any environment. I wholeheartedly endorse Khaled, his exceptional skills and his forthcoming ability to share his knowledge in a way that helps grow the business and encourages all employees to do their best.

If you need any further information, please contact me at the above e-mail address or telephone number.

Regards,

Mark Mazzara
