

# PIMA PROSPERS

A blueprint for the next decade

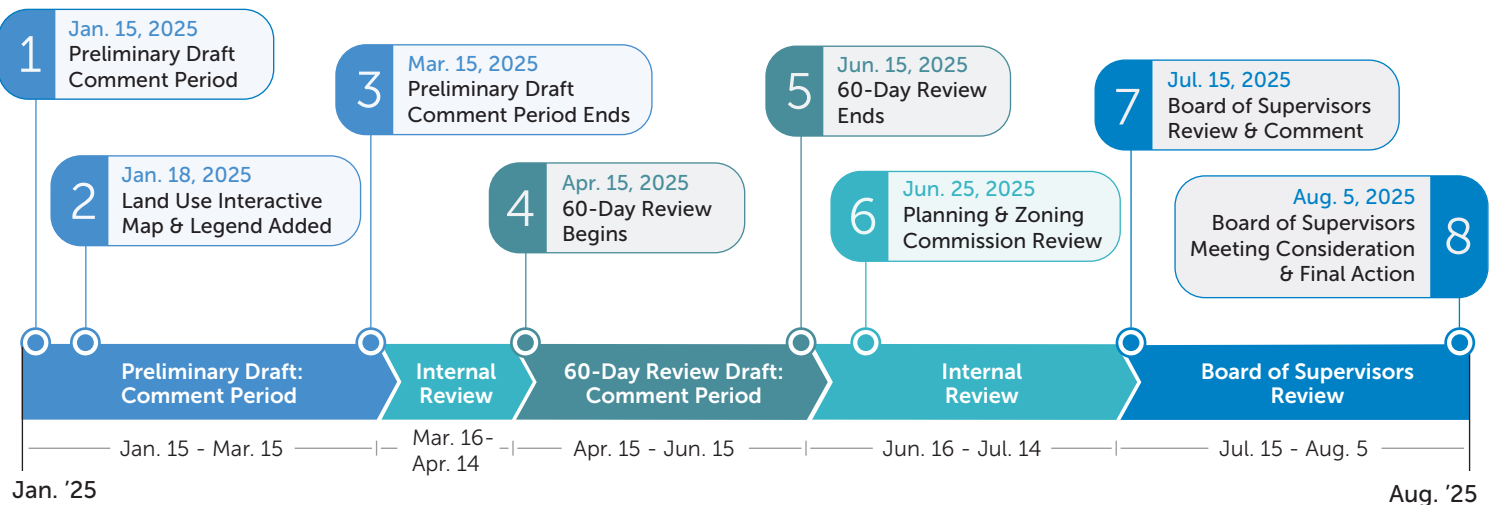

## Pima County Development Services Dept. has launched the 2025 Pima Prosper 60-Day Review!

Pima Prosper is the Pima County Comprehensive Plan Update, a 10-year land use document that provides guidance and policies for continued development and future growth in Pima County. The plan is updated every 10 years as per Arizona State Statute, and the 60-Day Review Draft is part of that process to allow for comments from the public, stakeholders, and adjacent jurisdictions.

### The Key Topics:

- Encouraging Infill & Redevelopment
- Continuing to Preserve our Open Space Areas
- Increasing Diverse Housing Supply
- Conserving Water Resources
- Embracing Energy Resiliency & Efficiency
- Mitigating or Adapting to Climate Uncertainty (Higher Temperatures, Reduced Rainfall, Wildfires)
