The raw beauty of this area is that underdeveloped, rural charm. AT&T cell service works well here, but Verizon and Sprint cell service may not work as well.

Basic amenities for the couple first nights (soap, toilet paper, trash bags etc) are provided as well yet you will need to replenish that in case you run out. Walmart and HEB are 30 minutes away in Pleasanton. Both Walmart and HEB offer curbside pickup if you would like to plan ahead, order online and pickup your groceries before heading out to Hindes. Charlotte (11 miles away) does have a small grocery store, A&I, for something you may have forgotten.

We do not subscribe to a cable TV service, but we do have TVs hooked up to WiFi via Firesticks. Firesticks are loaded with several apps for viewing. Feel free to bring your username and passwords to your Dish and/or Netflix account to log in on the Firestick. (Don't forget to log out before you leave.) We also provide a 10 ft. HDMI cable with HDMI to apple converter to plug iPhone or iPad into TV and mirror image to TV. We have chosen to keep our home as natural and peaceful as possible.
