

Want to book a private Guided Hunt or Fishing trip nearby while visiting Hinderes?

We have Hunting & Fishing Connections in the area and are very resourceful. If you are interested in booking a private paid hunt or fishing trip, let us know and we will see if we can make it happen and hook you up with a guide! We will see if we can find the right fit for you and your group while staying at Hideaway in Hinderes! A guided hunt on a nearby private ranch is an excellent way to make sure you enjoy the south Texas Brush Country! We have contacts that specialize in: Dove, Whitetail Deer, Turkeys, exotics (like Axis, Oryx, and Blackbuck) and more as well as Choke Canyon fishing guide contacts! Whitetail deer package hunts can book up to a year advance, so please plan ahead. We will try our best to see if we can find a local guide and ranch nearby that can accommodate your dates and hunting group! We can't guarantee a successful shoot, but we can help you get the most out of your hunting trip. Should you choose to forgo and book a private hunting excursion, we will release the guide and ranch contact information to you to finalize your private hunting trip!

Catering Contacts

We also have Catering recommendations! Let us know if you would like to skip cooking dinner one night and have a local home cooked meal served right in the lodge! You must plan ahead but we are happy to share our catering contacts with you. Carne guisada or enchiladas with all the sides after a day out in the south Texas Brush Country is amazing!

Spa / Massage Therapists Contacts

If you are interested in booking an appointment at a nearby Spa, please let me know and I will share contact. I can recommend one nearby that doesn't require a trip all the way into San Antonio and also offer discounts to Guests staying at Hideaway in Hinderes. A couple of the licensed Massage Therapists are also willing to come out to the home. These must be planned and booked ahead of time.

**** Should you choose any of these in addition to your lodging, we will release the contact information to you after booking for you to finalize.***
