

### **Prophecy by tongues and interpretation by Pastor Richard – July 9<sup>th</sup>, 2023**

So many Christians have been led by a religious spirit. They believe they're being led by My Holy Spirit, but I don't contradict Myself, I don't contradict My Word, says the Lord. I don't speak against My word, I'm not a double-minded God; My yes in My yes and My no is My no and My amen is My amen. So, choose this day who you're going to serve; the religious spirit, are you going to be led by the religious demon or are you going to be led by My Holy Spirit?

The religious spirit will keep you from My Holy Spirit, the religious spirit will keep you from being filled by My Holy Spirit, the religious spirit will keep you from My Gifts of My Holy Spirit, the religious spirit will keep you from the truth, the religious spirit will cause you to believe a lie and contradict My word, and speak against My word.

What spirit are you being led by today, says the Lord? What spirit? Are you being led by My Holy Spirit or are you contradicting My Holy Spirit by living a lie, being led by a religious spirit? Oh, religion, oh religion, religious spirits, how they have entered My church and set themselves up in My pulpits. Where My Holy was preached, it has been removed, where My Holy Spirit once spoke in tongues, it no longer speaks in tongues. Where My Gifts of My Holy Spirit operated, they no longer operate because of the spirit of religion. It will cause you to believe a lie. It will cause you to contradict Me, says the Lord.
