

2nd Prophecy by tongues and interpretation by Pastor Richard – September 17th, 2023

The feet of those who disobey My word by withholding tithes and offerings are not beautiful. They're soiled, they're dirty. No matter how much you cover them with great shoes, such expensive shoes and adorn them with jewellery, such expensive jewellery, toe rings, piercings, painting of nails, all that would be so beautiful and they smell so great, perfumed with the finest perfumes. But they're not beautiful when you disobey My word. My ministers feet, My ministers feet are more beautiful only because of their obedience to My word to preach.

When you withhold, when you withhold and disobey My word and not build My church, look down at your feet, no matter how beautiful you say they are, they're not beautiful today, not in My eyes, says the Lord. They will never be beautiful until you obey My word, to give tithes and offerings, your feet will always be a stench to Me, says the Lord. Your feet will always be ugly to Me, says the Lord. Not because of Me but because of disobedience to My word. Obey My word, cleanse yourself today, cleanse your own feet, obey Me today, obey Me, cleanse your feet with the washing of My word, by obeying My word, shod your feet with the gospel of peace by supporting the missionary, by supporting the pastor, by supporting the evangelist.

You want beautiful feet, obey My word says the Lord, obey My word. You want your feet not to smell, you say my feet don't smell, your feet smell. You say I have the most expensive cologne on them today, your feet smell to Me when you disobey My word. Your feet are not beautiful when you disobey My word.

Beautiful are the feet of them that preach the gospel, those feet are beautiful. With or without your support, their feet are beautiful because they obey My word, they trample on the devil, they shod their feet with the preparation of the gospel of peace, they protect the gospel, they protect their feet, they know how precious they are in My sight.
