

## SALVATION THEATRE

July 29<sup>th</sup>, 2015

Salvation Theatre ~ we watched the third video of the End of The Spear series entitled, The Grandfathers. The grandson, Jessie Saint, reveals the struggles he had trying to reconcile the death of his grandfather and the challenges his own father faced. It's beautiful to see the reconciliation between him and the men who murdered his grandfather.

We again thought of the scripture in Matthew 6:25-34 where Jesus said to take no thought for your life, the worries of food, clothing and shelter. When we go about His Kingdom works, He promises to take care of all our needs. I trust that as believers in this generation, we continue to pick up our cross and follow Jesus, wherever He calls us, no matter what the cost.
