We were ministered to tonight by watching a [Miracle Healing Montage by AA Allen](#). His ministry was prominent through the 1940's, 50's and 60's and came to be known as "The Man of Faith and Power". At the peak of his ministry he had the largest outdoor tent in the world seating 20,000 people. People came from not only across the USA but from around the world to be prayed for as signs, wonders and miracles regularly took place in his meetings. His ministry was always under attack from many denominations, to the point that when he died in 1970, the coroner who signed his death certificate ended up committing suicide stating that he had been paid off by Allen's denomination to falsify his death. In a letter that the coroner sent to Allen's head office before his suicide, he returned a \$10,000.00 cheque which was proof of the bribery and the falsification of Allen's death certificate. [You can read the letter in this link.](#)

None the less, we'd encourage you to watch some of his ministry on YouTube.
