

November 18, 2015

Over the next weeks, our Illustrated Messages are going to focus on *The Pilgrim's Progress* by John Bunyan. Last week and this week at Salvation Theatre we watched a newer version of the movie, which you can watch on this link. You can also read the message reviews of this book under the Illustrated Message tab at the top of the website page. Enjoy and be stirred in your heart to seek out the Kingdom of God and eternal life!
