

February 13th, 2016

John Luther is one of the top US evangelists. His uncompromising stand has him at war with the political arena who wants to unite all faiths...for their political agenda. It's a must see, as not only in the US but around the world, Christian values are being compromised and the anti-Christ spirit is literally trying to unite all faiths, saying all faiths lead to God. Persecution is rising. [Persecuted](#)
