The history behind King James who after hearing from the Puritan leader John Rainolds the need for a new, more accurate translation of the English Bible, brought together 47 professors who began the daunting task of creating a translation that was accurate and understandable for everyone. [KJV: The Making of the King James Bible](#) is a brilliant historical documentary which has narration by Jerry Griffith and re-enactments of the story. 2011 marked the 400th anniversary of the creation of the King James Bible. This movie is absolutely excellent!
