In our generation, Billy Graham has become one of the most well known Evangelists around the world. This DVD entitled "[Billy Graham God's Ambassador](#)" is the only BGEA authorized video biography of him which is hosted by Sir David Frost. It's said that he has preached to over 210 million people in more than 185 countries via crusades, television, video, film and webcast. He's been a confidant and counselor to every U.S. President in the past 40 years. A true hero of faith.
