The Jewish history and ancestry of Jesus Christ is amazing, and on more than one occasion, we read the stories of the men and women who were part of it. [The Story of Ruth](#) is one of the women that God chose to be part of that lineage. The movie focuses more on the history of the Moabites from which Ruth comes, seeing their forms of worship to their god Chemosh (whether all accounts are historically accurate we're not sure). Regardless, we see why God Jehovah was against the Moabite people, and yet, Ruth, with a broken and contrite heart follows her mother-in-law back to Israel after she had lost everyone and everything. She makes the God of Israel her personal God, and through a series of situations meets Boaz whom she marries. Boaz is in the lineage of Jesus Christ who was to be born centuries later. It's a great movie.
