

Prophecy by tongues and interpretation by Marjorie – September 24th, 2023

For many are looking for the voice to say the one thing that they're looking for, but I have already said it in My word. Many people are running to and fro and here and there and seeking out voices, here and there, spiritual leaders, political leaders, influential leaders to get that one thing that they're desperately seeking after, but I've already spoken it all. It's already spoken forth in My word.

So be watchful, be very vigilant, for in these days many are running to and fro and they're loosing focus of the Word, they're loosing focus of the straight and narrow, they're loosing focus of humility, they're loosing focus of having a broken and contrite heart, they're loosing focus of having no other God's but Me. They're loosing focus because they're grappling, they're running and searching, they want just one morsel that they can lay claim to. But I've already spoken the end from the beginning. I've spoken the end from the beginning, all they need is the word, in My Word, all they need is My spoken word and it will deliver them, and it will set them free.

For they're looking for the miraculous, they're looking for supernatural, but it's already in Me. I Am the supernatural one, I am the Omniscient, Omnipresent, All-knowing, I am, I Am that I Am, all they need is Me. But be careful, for the adversary is roaming around, seeking whom he may devour and he is on the rampage for the Body of Christ to deceive if he could, many.

So church, keep your eyes focused, church, keep your eyes focused on Me and on My word. Walk humbly before Me. Everything that you're seeking for is not in the here and the there and all that's out there in the secular, it's found in Me. So church, walk humbly before Me, walk humbly before Me today. And the miraculous and the signs and wonders will follow the preaching of My gospel. All you need to do is open up your mouth and speak it, speak My word, allow the Holy Spirit to use your body as a vessel, your mouth as a vessel, your hands as instruments of My power and My glory, says the Lord. Allow me, don't try and think it through, just open up and be that vessel and let Me be glorified in all that you do, says the Lord.
