

Prophecy by tongues and interpretation by Pastor Richard – October 15th, 2023

When the religious leader Nicodemus came to Me, asking Me what he must do to enter the kingdom of heaven, I told him you have to become like a little child, you must be born again Nicodemus. It's time to shelve all of the religious intoxication that's hindering you from speaking in stammering lips, speaking in tongues. You say, oh you sound like a child, you sound like a baby, I don't want to sound like a child, I don't want to sound like a baby. But I say today, take your first step and speak, speak, speak, stammer, stammering lips, stammer, speak, speak, speak. I will watch over My word to give you a fluent tongue, I will develop you in My gift says the Lord.

Did I not pour out My Spirit on My disciples in the upper room? Yes they spoke in stammering lips, the very thing that the religious leaders rejected in their intoxicated mindset, they rejected it because it was as a child, they didn't want to become as a child. But I say to you today, unless you become as a child, you'll not enter the kingdom of heaven. As religious as Nicodemus was, he would not enter the kingdom of heaven unless he receive Me as Lord of his life, unless he received My Holy Spirit and became born again, he would not enter into heaven.

So receive Me today, says the Lord, you must be born again to enter the kingdom of heaven. You have to become as a little child sometimes, and take the first step, the baby steps, walk as a child, talk as a child in tongues. Oh, they don't sound complete, they sound as though they're stammering, but speak it, I will anoint it, I will bless it, I will give you the fluent language of tongues. Oh yes, the devil the doesn't want you to speak with stammering lips, He wants you to think that it's of a childish way, but I say to you today, unless you become as a child, you will not enter the kingdom of heaven, unless you're born again of My Spirit, My Holy Spirit, you will not enter the kingdom of heaven.

Drunk with religion, so many are drunk with religion and have missed out on being filled with My Holy Spirit, drunk with religion and have missed out on speaking in tongues. Drunk with religion, intoxicated with religion, religious demons, religious spirits.

So today, yield yourself to My Holy Spirit. Become as a child in all things, submit yourself unto My Holy Spirit, submit yourself unto Me, Jesus Christ, the Author and Finisher of your faith. I'll watch over My word to perform it. You just speak, take those baby steps and speak. One foot in front of another, one utterance of your tongue in front of the other. You say, I sound so childish. Oh well, get your eyes off yourself today and get it on Me, the author and finisher of your faith. If I said I'd baptize you with the Holy Spirit, you need to take the first steps, you need to speak.

Religious mindsets will hinder you from receiving this truth. Get rid of the religious mindset that's hindering you from receiving this truth today. Stop it in its tracks. Speak My word. I sent My word therefore speak it, speak My word. Stop giving it your own word, give it My word, speak to the situations in your life with My word, says the Lord. Shelve your own self today, get it out of the way, make room for Me today, make room for Me in your life.

Who cares what people think, that should be your thought today, who cares what people think. You should be concerned about what I think, says the Lord. You should be concerned about what I think, says the Lord. Get your eyes off yourself today, get your eyes off of those around you that are saying negative things about you speaking in tongues, Get your eyes off of it today. Get in the Spirit, stay in the Spirit, stay in My word, speak My word, speak My word, speak My word, speak My word, speak it like you've never spoken it before. Speak it, it's truth, speak it, shout it from the rooftops, shout My word from the rooftops. Shout it, shout it in the streets, proclaim it, in the highways, in the byways,

preach, preach, preach. Now is not the time to be silent says the Lord. Now is not the time to clam up and walk in fear of what people would say and think, or do. If they persecuted Me, they'll persecute you. Now is not the time to not speak, says the Lord.

Oh, so caught up in image, religious image. Oh, what would people think, religious image. Oh, what are they going to say, religious image. Time to take that religious image down, take it down, take it down, take it down. Get rid of the religious image today, become like a child. Receive My word, the more sure word of prophecy today, tear down the religious image, tear it down, get rid of it, don't let it manifest anymore, don't let it grow anymore, don't let it grow, don't let it grow, don't let it grow. Tear it down, tear it down, tear it down. Come to Me as a child, says the Lord, come to Me as a child. Be humble, accept My word.

2nd Prophecy by tongues and interpretation by Pastor Richard

Don't put your trust in this world, don't put your trust in this world, put your trust in Me, says the Lord. I'll deliver you of all snares of the fowler, all the deadly pestilences, all the war, all the fear, all the doubt, all the unbelief, I'll deliver you. Just come out from among the world and be separate, separate yourself unto Me today, I'll deliver you, I'll keep you in perfect peace when your mind is stayed on Me, says the Lord.

No weapon formed against you will prosper, all the tongues that have risen up against you in judgment, I've condemned them through you by My word. Speak My word, condemn the spoken tongue, send the evil spirits back to the senders, they have to go in My name. They will not prosper. You will prosper today, they will not prosper, you will prosper. You will prosper on all sides because of My name, you will be above and not beneath, you will be the head and not the tail, the blessings of Abraham will overtake you regardless of what the world is saying, regardless of what others say. My word has the final say. I'll watch over My word, just speak it, declare it, declare it today like you've never declared it before. Speak it over your situation, every trial, every temptation.

Every time the devil comes to rob, and make an attempt to kill and steal and destroy, speak My word. Take up My word against him, chase him down the road with My word, My word is going to be the final say, says the Lord. So be strong in Me today, in the power of My might, you'll do great exploits, great exploits, great, great, great exploits in My name, the name that's above all names. Because My name is the name that every knee is going to bow to in heaven, on the earth, under the earth. Everyone will bow to My name, the name that's above every name, the name that's above every name, My name, Jesus, is above every name, speak My name, use it, use it in the authority that's been given to you, Christian. Speak My name, at My name the devil is already defeated, was defeated – past tense – defeated.

The religious, indignant spirit that's upon My people, that call upon My name, that's attacking them and hindering them from receiving My Holy Spirit, is defeated. It was defeated 2000 years ago, it was defeated on the cross, I defeated it, I defeated religion, I defeated the religious spirit, it is defeated, don't tolerated it to manifest in your church, don't tolerate it to manifest and speak into your lives. I defeated it. Walk in the Spirit and not in the flesh and I will defeat it continually and will not be able to manifest and stay there. It will not be able to grow or take root, it will not be able to flourish. I defeated it in the name that's above all names, My name. It was defeated. Don't allow it to grow. When it speaks, speak to it and cast it out, drive it out of your midst, don't allow it to speak, don't allow religion, religious indignant intoxicating spirits to speak. Cast them out in My name. I defeated it

already on the cross, cast it out, cast it out, cast it out, send it down the road, drive it out, send it down the road, send the spirit down the road. Don't allow the spirit to grow in their lives, drive the religious spirit out, in Jesus name, My name, the name that's above all names.
