

Prophecy by tongues and interpretation by Pastor Richard – June 25th , 2023

When My servant Jehu cast Jezebel out of the window to her death, the end of a Queen, the end of a Queen, but not the end of the Jezebel spirit. It was the end of a Queen but not the end of the Jezebel spirit. You can't deal with the Jezebel spirit in the flesh, you have to deal with it in the Spirit, says the Lord, you have to stop it in its tracks in the Spirit, says the Lord.

Your platforms, your social justice programs will not stop it. It may silence the individual, but the spirit will not be silenced, it will just go on to another vessel. Therefore, you have to silence it in the Spirit, you have to stop this spirit in the Spirit realm, you have to stop it, it's a demon that needs to be stopped. That needs to be brought to a stop, that needs to be silenced.

There are many pastors today that have become eunuchs, even as Jezebel's eunuchs. Powerless, emasculated in the Spirit realm, the power of My Holy Spirit has been removed from your church, your churches are void of My power, you've allowed the Jezebel spirit to emasculate you. How long will you tolerate this spirit from operating in My church, says the Lord? How long will you continue to walk as emasculated eunuchs, pastors?

Time to rise up in the name of Jesus and deal with this spirit and get My power in the church, says the Lord, get My power back in the church, says the Lord. Holy Ghost power, Holy Ghost power, Holy Ghost tongue talking power. Don't let the Jezebel spirit emasculate you any more, rise up, rise up in the power of My Holy Spirit and take authority over this demon, and cast it out of your church, cast it out of your churches, no longer tolerated to rule and reign and tell you that you are under its power, that you are under its authority. Come out from under that devil, come out from under that demon. Rise up, speak My word, take authority over this demon, stop it, stop it from speaking, stop it from speaking, stop it from speaking, stop it from speaking lies. You speak My word which is truth and stop this devil in its tracks. Get the power back in My churches, get the Holy Ghost power back, submit yourself unto Me, resist the devil and he will flee, resist this Jezebel demon and it will flee.

Simple casting it out the window isn't going to work, it didn't work for Jezebel, did it? Shut her up temporarily but it didn't work in the spirit. This same demon is still manifesting, it has to be stopped in the Spirit realm, stop trying to handle it in the flesh, handle it in the Spirit says the Lord, watch Me watch over My word to perform it.

Prophecy by tongues and interpretation by Marjorie

For this spirit will not only have men emasculated and have the power of the Holy Ghost thwarted and stymied, it will also seduce to lead to idolatry, lead to things to which churches would normally not have entertained years ago, but are now entertaining and teaching from the pulpit. It will get them into idolatry and into false religions and get them into social justice and social works and works, and works, and works of the flesh but it is void of My power, void of My Spirit. It will not only emasculate but will, like Jezebel, cause men to be worshiping other gods having other idols set up other than Me. My word says you shall have no other gods before Me, you shall worship the Lord thy God only and Him only shall you serve. Resist this demonic spirit, resist it in My Name, says the Lord.

For rebellion against My word and what I have commanded, what I, I, I Almighty God have commanded, you shall have no other gods before Me. Oh yes, they're even trying to emasculate Me, they're even trying to emasculate Me. They're taking He – Almighty God, they're taking He out and making it a she and making Me an it. For don't think you're the only ones that are trying to be emasculated, they're trying to emasculate Me; the Godhead, the Father and the Son and the Holy Ghost. They're trying to emasculate Me, says the Lord, so don't be surprised that it has come into the church. Why do churches start taking He out of their hymnals and taking it out of the Bibles – they're emasculating Me.

But I have the last word, the Lord God of Hosts, for I am masculine, I am, the Godhead is all masculine, it is all He, it is He the Father, it is He the Son and it is He the Holy Ghost and I will not be mocked and these that mock Me, will have their final time when they stand before me, says the Lord.

Flee, flee this idolatry, flee this temptation, church. Flee, flee this temptation, pastors, flee this temptation leaders, fall on your face before Me and repent, repent, repent. Just like I told the church in Revelation to repent for they tolerated that woman Jezebel who was a real woman at that time and she was causing men and women to turn to immorality, not just sexual immorality but into idolatry. Resist this fowl devil and it will flee, and it will flee in the name of Jesus, in My name, the name that is above every name.

Yes, you can see the churches that have adopted and embraced a Jezebel spirit whether they've wanted too or not. Those that are embracing the homosexual agenda, the transgender agenda, those who are embracing to not preach against sin, have embraced the Jezebel demon. They are embracing this demon, and that is why their churches are powerless, that is why you see them preaching acceptance from the pulpits of the homosexual agenda, the sexual perversion agenda, because they have embraced the demon spirit of Jezebel. There is nothing new, there is nothing new, there is nothing new, it has been from times of old, the devil has nothing new, all he can do is repeat the things of the past and in this generation this is what you're seeing in the churches, this is you're seeing when you see them embracing and pampering the demon spirit of Jezebel, the homosexual the emasculation of men in the pulpit and you're seeing women rise to power in the pulpits, in all positions of authority, then you know that they have embraced that demon that is emasculating men and emasculating My authority.
