

Prophecy by Marjorie – May 17th, 2020

The church is not about people, the church is about Me, because I am the Head of the church, you are the body, the Head is all about Me, the church is all about Me, says the Lord. The church is all about Me, because in Me you live and move and have your being. Apart from Me you can do nothing. The church is all about Me, says the Lord. Man has made it about himself, that's why they run in terror and that's why they run and flee. But the church is not about man, the church is about Me, says the Lord.

Yes, the church comes together, yes, my body is built up and edified, but the church is about Me. It's about my kids coming together to worship Me, to worship the Father in Spirit and truth, not to worship each other and yes, unfortunately my body has turned into a place where they worship each other, where they idolize each other, where they're idolizing this one and they're idolizing that one and yes, they're even idolizing the pastors and they're idolizing the shepherds. But it's not about them, it's about Me.

I am shaking, I am purifying my bride, I am shaking and I am purifying My bride, so know that My Holy Spirit will dwell in temples that are holy, that are pure, that are consecrated to Me. For I am the Head of the church, the church is all about Me, says the Lord. It's not about man, it's not about the body, it is about Me. And as you worship Me, and as you glorify Me and as your focus in on Me while in the church, while worshiping together as the body, yes, it will have it's needs met, they will be ministered to, they will be healed they will be strengthened, they will be encouraged.

But the body is not the Head, the body is the body and the Head is the Head and I am the Head, Jesus is saying to you today. I am the Head. I am the Head and the church is about Me, and as you gather around Me, the bodies needs will be met.
