Didn't I rebuke the Pharisees, didn't I rebuke the Sadducees, didn't I rebuke those in the temple, when I overthrew the money changers, and I let their animals go? They were making My house a place of merchandise, they were making it a place of selfishness, and didn't I say, 'My house shall be a house of prayer', says the Lord? Didn't I say that My house, My church shall be called a house of prayer?

Didn't I fulfill the old, didn't I fulfill it to the fullest? And yet, the church is doing the same thing today, they're making it a place of entertainment, they're making it a place of merchandise, they're making it a place of anything but prayer? Oh yes, they pray, they pray maybe like the Pharisees and Sadducees, like the religious people to be seen and heard by man, but don't know that I know the heart of man? Don't you know that I know the heart of man, what's in the heart before it comes out of the mouth? I know the heart of man.

Let My house, let My place of worship, be of that exactly, a place of worship and prayer. Flee, flee, flee the house of merchandise, the house of entertainment, the house of the flesh, that's become a place of self-gratification, for self-interests, looking for their own interests. Because if they would know what My interests were, they would be at the altar, they would be pleading to Me for mercy, they would be pleading to Me and crying out for mercy. And I know they're quite happy, but don't be discouraged, because I see it all, I am weighing the hearts of man, and weighing the hearts of My church, I'm weighing the heart of My bride today, says the Lord.

Even as the early church waited and waited and waited on Me when they came together, they waited on Me, they longed for Me and I poured out My Spirit upon them, and My gifts flowed in and through them because the Holy Ghost knows what the needs of My church are. So wait on Me, pray, don't be discouraged and don't think there's nothing getting done. There's more getting done than you'll ever know. Stand strong, stand tall today, says the Lord.

## **Tongues and Interpretation by Pastor Richard- October 24<sup>th</sup>, 2021**

The political leaders in our country of Canada, in this country of Canada are corrupt. The judges are corrupt, the Premiers of each province are corrupt, all for personal gain. Am I a God that is to be mocked by the leaders of this land? Did I not say in My Word, I am not mocked, that what a man sows he will also reap? The Prime Minister of Canada has mocked Jesus Christ, My Son, and mocked My servants. The Premiers over the provinces have mocked My servants, My pastors, they've arrested them at times when they've least expected it. Robbed them of their families, are robbing them of their finances through exorbitant fines. I'm not overlooking this corruption, says the Lord. I'm not overlooking this corruption, says the Lord.

So much pride, so much overweening pride in the leaders of Canada, of its provinces, of its Prime Minister. Overweening pride. Don't be deceived, I'm not mocked, says the Lord. What you are sowing you're going to reap. You sow evil to My servants, you're going to reap it from Me, says the Lord. I'm not mocked, I will not be mocked by you. I have the final say, says the Lord, in your life, in all of your lives.

Lying, lying, lying, behaving just like their father the devil. Lying to the nation, lying to the people, lying to the children, lying to the old people.

Yes, the borders are wide open in Canada right now. Wide open, even though they say they're not, they're wide open, they're wide open. Wide open in the spirit, says they Lord, wide open for the devil to rob, kill and destroy due to the complacency of My church, due to the lukewarmness of My church, those who are governed by the Governors, those who are governed by the Premiers, those who are governed by the Prime Minister, those who are 'yes men' to the Prime Minister, those who are 'yes men' to the Premiers, those who are 'yes men' to the Alberta Health and Safety.

Oh you've fallen so much, so lukewarm. Oh, the borders are down around your churches today. Oh, you say I'm secure, I won't be touched, I'm so secure because I'm so obedient to the laws of the land; the walls are down. Vulnerable, vulnerable, vulnerable, the lukewarm church is vulnerable to the attacks of the devil. And he is going to attack, just as he's going to attack the borders of Canada.

War is coming to Canada, to the complacent Canada, to the complacent country of Canada. War is coming to Canada. Oh secure, oh so secure, you think you're so secure, war is coming to this nation. And it will be from a country that was an ally, and declared itself to be an ally, your own ally will rise up against you Canada. Your own ally, your own protector will rise up against you, even now they're planning and scheming against you, says the Lord. Even now they're planning and planning and scheming, and more planning and more planning and more scheming, in secret.

Now is the time to repent, like never before, oh churches in Canada. Now is the time to repent, like never before, of your complacency, of your sins, of your lukewarmness, of your ways that seem right but in the end they're death.

Oh, the Lord in the heavens, He laughs. I'm not mocked, says the Lord, I'm not mocked. What a man sows that he's going to reap, you sow to the flesh you're going to reap from the flesh, you sow to the Spirit, you're going to reap from the Spirit, you sow to the Spirit you're going to reap from the Spirit.

Now is the time to pray and seek My face like never before, says the Lord. Now is not the time to bow your knee to Baal, now is not the time to bow your knee to ungodly, worldly leaders, now is the time to bow your knee to Me, the King of kings and Lord of lords, Jesus Christ. Repent of having bowed your knee to Baal, repent of having bowed your knee to the leaders of this land, repent for having bowed your knee to this medical system. I will have no other gods before Me, says the Lord.

The walls are down, the walls are down around your churches and the enemies are invading your churches, he's invading your pulpits.
