Behavior Policy

- I understand and agree that The Homeschool Bookstore is not a drop off facility and I will need to stay on site with my child(ren).
- I will instruct my child(ren) that they must always be respectful to the teacher, other children, and parents.
- I understand that as the parent/guardian, I will be respectful to the teachers, children, and parents.
- Younger/Older children are allowed to wait with parent while a class is going on. We just ask they be respectful of the class and have a quiet activity to work on or you may feel free to hang out in the breezeway section of the store, outside (depending on weather), in your car if it is parked on the street in front of store or in the parking area behind the store.
- If your child(ren) needs any help in the bathroom, that will need to be handled by the parent/guardian of that child(ren). Staff/Teachers or other parents will not be allowed to help with that.
- I will help my child(ren) understand the importance of following directions the first time they are given, not interrupting the teacher, staying in their designated teaching space, and treating others with kindness.
- I will help my child(ren) understand to give their best effort and ask for help when needed.
- I will arrive 5 minutes prior to class ready for class with all assigned work completed.
- Please come happy and with excitement to learn and have fun!
