

# ROARING FORK VALLEY ATTORNEY CHALLENGE

November 2020

## Take the Legal Aid Support Challenge

From November 9—December 15, Alpine Legal Services is **challenging all Roaring Fork Valley Attorneys to donate** the equivalent of one billable hour to Alpine Legal Services to help our programming and services thrive into 2021.

## Attorney Challenge

A financial donation of one billable hour to Legal Aid in 30 days.

## Attorney Publicity

**Every attorney that takes the challenge will be included** in our thank you display ads on our website and in the Aspen Times, Aspen Daily News and Post Independent.

**Alpine Legal Services was founded** over thirty years ago by a group of dedicated attorneys who recognized a need and decided to give back. They volunteered to assist the people who were falling between the cracks and they formed an organization to help people who would otherwise be denied access to justice. Their work has grown to three offices providing advice, referrals and legal representation to thousands of vulnerable adults and children every year from Parachute to Aspen.

**Alpine Legal Services needs your help** to continue offering free legal services. Whether you choose to help a lot or a little, every dollar counts, and we are hoping to achieve 100% Bar Association participation. Alpine Legal Services supports the private bar by making over 350 referrals to attorneys in our region every year.
