Hi District!

I would like to take this opportunity to thank everyone for their service work this past term. I stepped in as District Rep for Linda H when she moved back to her hometown of Cleveland. All her hard work for 2 ½ years made it easy to fill in. I have now been voted in as District Rep so I will be in that position for the next three years.

If you have any questions about our district, please email me at RondaBD11@gmail.com. If I don't know the answer, I will find someone that does! I am super excited for this term!

We will be electing our Committee Chairs at the January 20th district meeting. If you would like to sit on the committee, there will be lots of opportunities. Please see the attached list for the positions and their duties.

In Service,

Ronda B.

District 11 Representative

You are invited!!

Wednesday, November 15th at 10:00 am

The Wednesday Morning Turkeyfoot AFG will be celebrating their 47th Anniversary meeting.

They will have 2 guest speakers and serve light refreshments afterwards.

Please join us to support our speakers and the Al-Anon program. Our primary aim is to provide

Experience, Strength, and Hope to current and new members of this Fellowship.

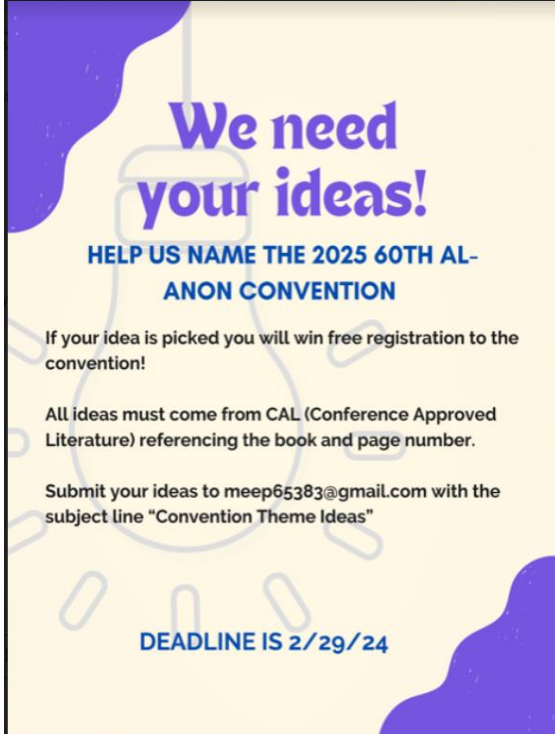

You are welcome to bring something to share with those attending (simple snacks or sweets).

Members Share their Experience Strength and Hope:

What am I most grateful for since coming to the rooms of Al-Anon?

What I'm most grateful for since coming to AlAnon is learning that I have choices. I never knew I had a choice in matters or recognized the options available. Alanon has not only helped me see my choices but offered wise people and tools to help me sort through what's best for me at the time. Al Anon has helped me understand that even though I may have hard choice A or hard choice B, there is still a choice and it's up to me to decide.
~Allyson B.

The hope and support that just seems to emanate from the meetings. The strength I have found in myself, that I never knew I had. The friends. Words cannot really express. I am truly grateful.
~ Rae K.

I am grateful to know that I have a choice. It is the biggest thing that I am grateful for.
~Todd B.

I am grateful for all Al Anon members, but particularly those with significant years in the program. They represent the hope and results of working the program. They also provide the necessary consistency and perspective that is key to staying true to the 12 Traditions.
~Becky S.

I am especially grateful for the deep and intimate personal long term friendships I have made over these years and that these connections are free of the barriers that hamper many of the more superficial acquaintances. There exists an understanding and compassion of problems and difficulties that just aren't discussed with family or non-al-anon folks.
~Maureen H.

That's a difficult question because there are many things that the program offers to be grateful for, including being grateful. When I saw the following quote recently, I immediately thought of the program's teachings "progress not perfection."

"We all want progress. But ... if you are on the wrong road, progress means doing an about-turn and walking back to the right road; and in that case, the man who turns back soonest is the most progressive man."

I'm very grateful for the program helping me make some about-turns and walking back to the right road.

Our District was generous in its basket donations for the 2023 Area Convention held in Shepherdsville, KY. Our district donated more than 10 baskets. Thanks to all who contributed money, basket items and/or creativity to put the baskets together. They were all wonderful!
