

WE'RE PLEASED TO WELCOME YOU TO OUR INAUGURAL "TEAMING IN CARDIAC SURGERY" MEETING THIS OCTOBER, IN BEAUTIFUL BURLINGTON, VERMONT — A CHANCE TO COME TOGETHER AROUND OUR SHARED COMMITMENT TO ADVANCING CARDIAC SURGERY.

OUR FIELD DEMANDS TECHNICAL PRECISION ACROSS SPECIALTIES, AND AS SUCH RELIES ON TEAMWORK. FROM BEFORE THE PATIENT ENTERS THE HOSPITAL, TO THE OPERATING ROOM, THE ICU AND BEYOND, COLLABORATION IS AT THE HEART OF EVERY SUCCESS. THIS MEETING WILL EXPLORE NOT ONLY INNOVATION, BUT ALSO THE HUMAN CONNECTIONS THAT MAKE IT ALL POSSIBLE.

WE LOOK FORWARD TO INSIGHTFUL DISCUSSIONS AND TO SEEING MANY OF YOU THERE.

SINCERELY,

THOR SUNDT, MD
