

COVID-19 Pricing Sheet

Employer Testing

Description of Work

Client is looking to offer COVID-19 testing to the population of its choice. Tests can include diagnostic PCR and antibody tests, physician follow up; if a staffed testing facility is requested, appropriate staffing for the expected volume may also be provided.

Results will be communicated to participants by email and/or by phone.

The specific services that will be provided by Contractor's affiliated providers are upon Client request or according to agreed-upon protocol are:

- Onsite testing as needed
- COVID-19 Diagnostic PCR Testing
- COVID-19 Antibody Testing
- Physician follow up as needed
- Access to HHB client drive-through for COVID-19 Diagnostic PCR Testing

Service Fees

Client shall pay to Contractor the amount set forth below for the applicable test, product or service multiplied by the number of units requested.
