

FRIENDS of HILLER HOCKEY

P.O BOX 331, HOPKINTON, MA 01748

Would you like to advertise your business, support a charitable organization and highlight your commitment to a local youth organization?

PLEASE READ ON....

We are writing today to introduce you to **Friends of Hiller Hockey (FOHH)** and to ask for your support.

FOHH is a 501(c) nonprofit organization that was established in 1996 to help launch a hockey program in the town of Hopkinton. We are similar to the Athletics Boosters Club but are dedicated to hockey specifically as the sport tends to have higher operating costs than many other youth sports. Thanks to the generosity and support of local businesses such as yours, we have a very successful program in town with many talented athletes participating on our middle school, Junior Varsity and Varsity teams! FOHH will fundraise throughout the season to help defray the many costs not covered by the schools athletic budget. Assistant coaches salaries are paid by our fundraising dollars, equipment needs, ice time, team building events, etc.

Would you consider purchasing an advertisement in this season's program guide? Your advertising investment buys you visibility to a large audience of spectators at every home game of the Hopkinton High School Varsity hockey team. The team hosts opponents from various communities in the surrounding area at the New England Sports Center in Marlborough. We play on rink 1 with a seating capacity of 1800. Several hundred program guides are distributed at our home games throughout the season. The books will also be on display at many local businesses and include team rosters, player photos, season schedules and advertisements from our business and family sponsors.

Please support our Massachusetts, Division 3 South Sectional Champions and State Finalists by emailing us or selecting which option appeals to you on the form attached by November 15th!
