Specifications and Ordering Procedures

Fascia with color coordinating rod and insert

All drapery rods made to exact track width. We will not make any allowances
fascias are ordered as shown below

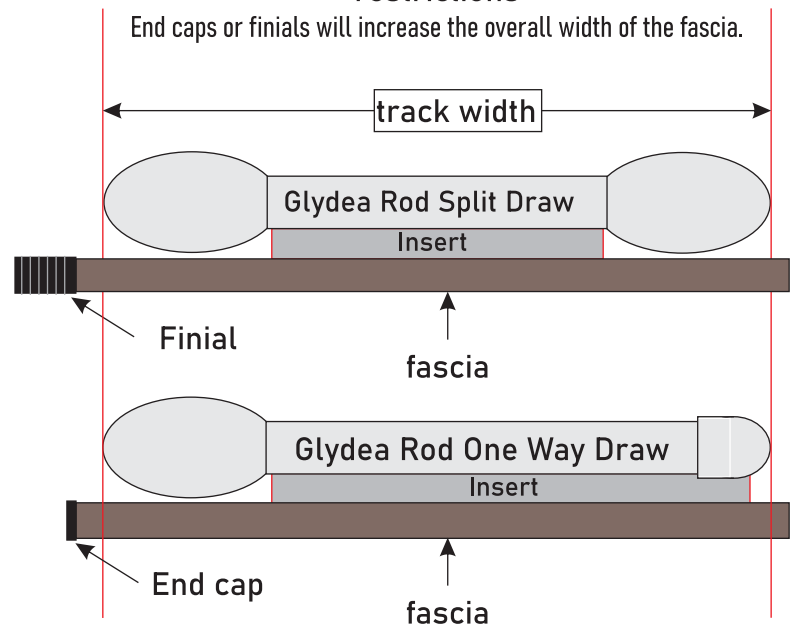

Fascia ordered the same size as the rod.

This option is best suited for wall to wall and ripplefold applications

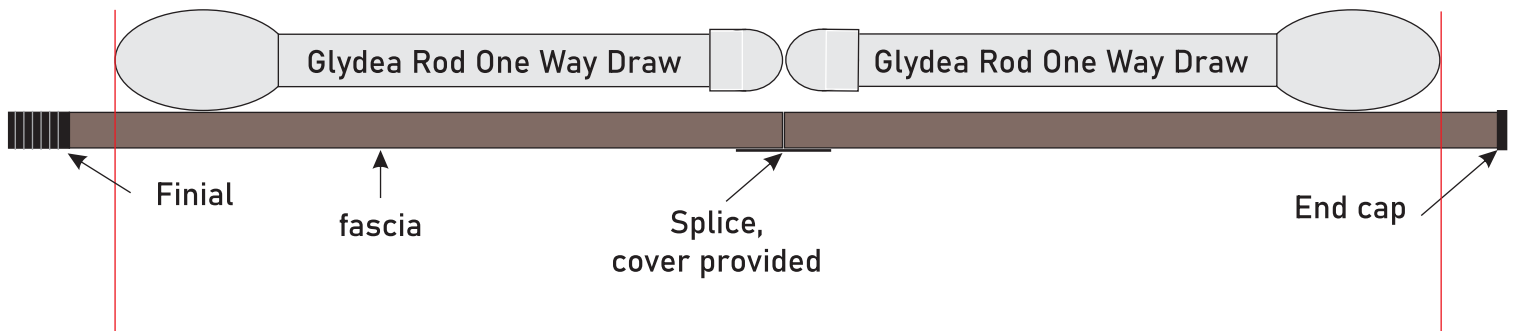

Fascia ordered longer than the rod.

This option is best suited for pinch pleat drapery and applications without overall width restrictions

Multiple butting rods under a single or multiple fascias

End caps or finials will increase the overall width of the fascia.

contact us for ALL your butted rod configurations including corners and bays
we will assist with the ordering

270-847-4600

Specifications and Ordering Procedures

Fascia with color coordinating rod and insert

ceiling brackets included

Fascia ordered as “wall to wall”

All drapery rods made to exact track width. We will not make any allowances

Wall to wall describes any situation where the fascia measurement is dictated by restrictions on one or both ends of the fascia and rod.

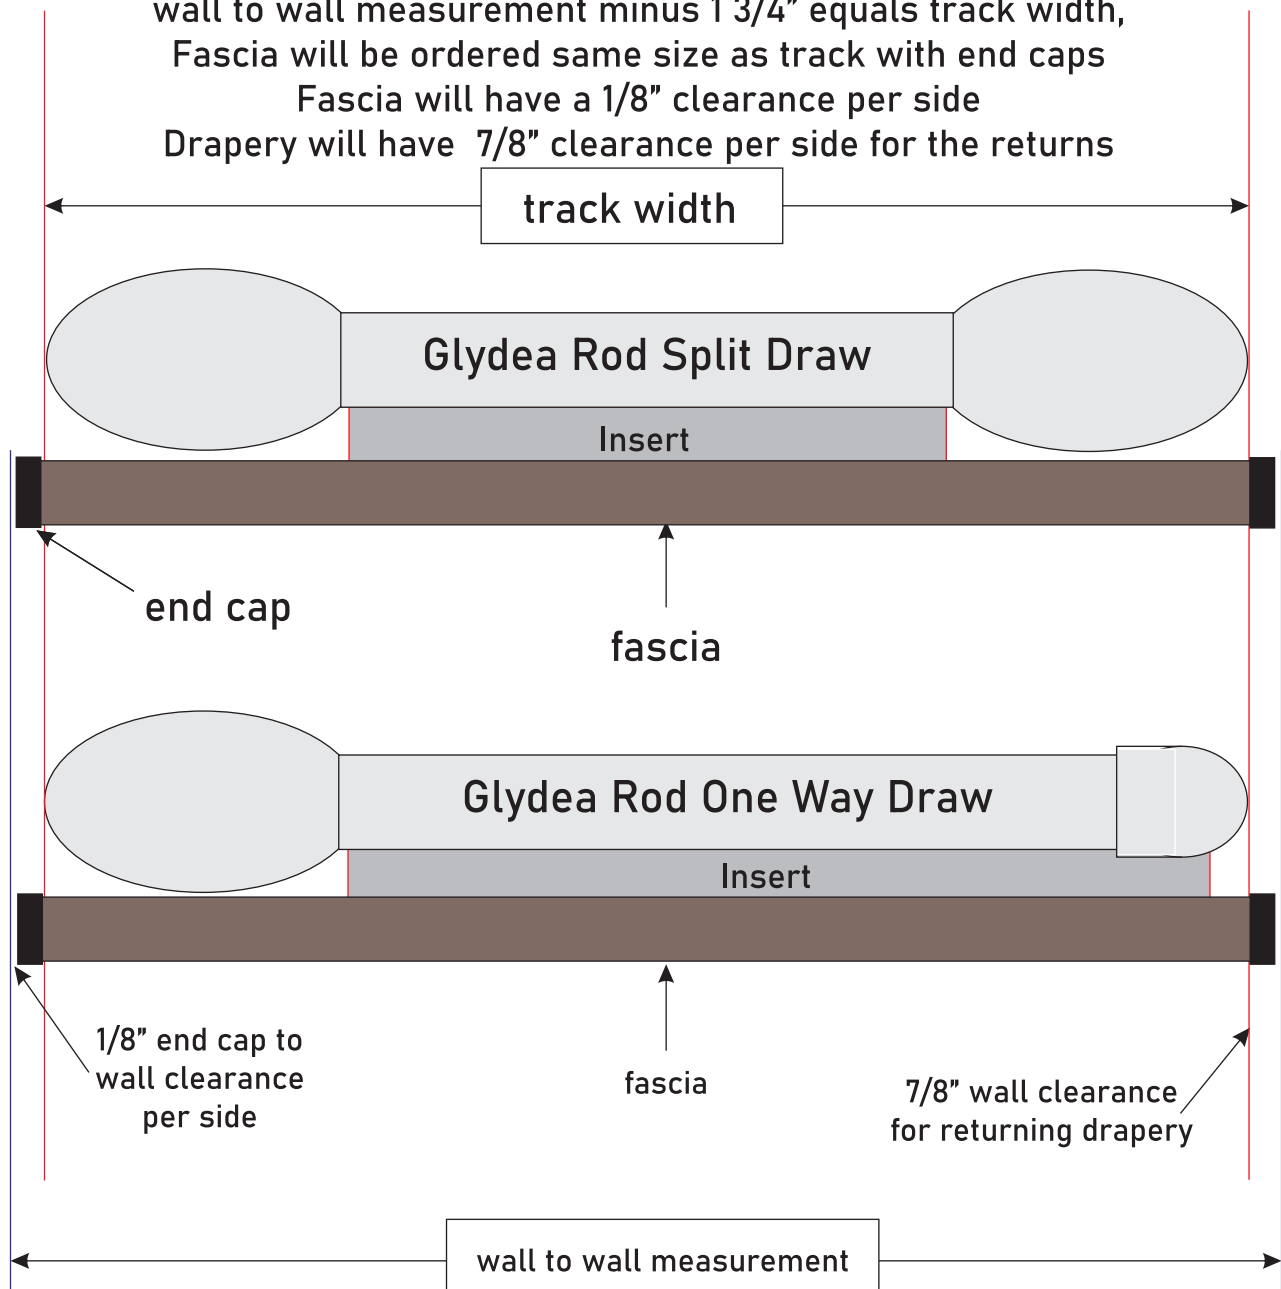

This is the formula and the results:

wall to wall measurement minus 1 3/4" equals track width,

Fascia will be ordered same size as track with end caps

Fascia will have a 1/8" clearance per side

Drapery will have 7/8" clearance per side for the returns

Specifications and Ordering Procedures

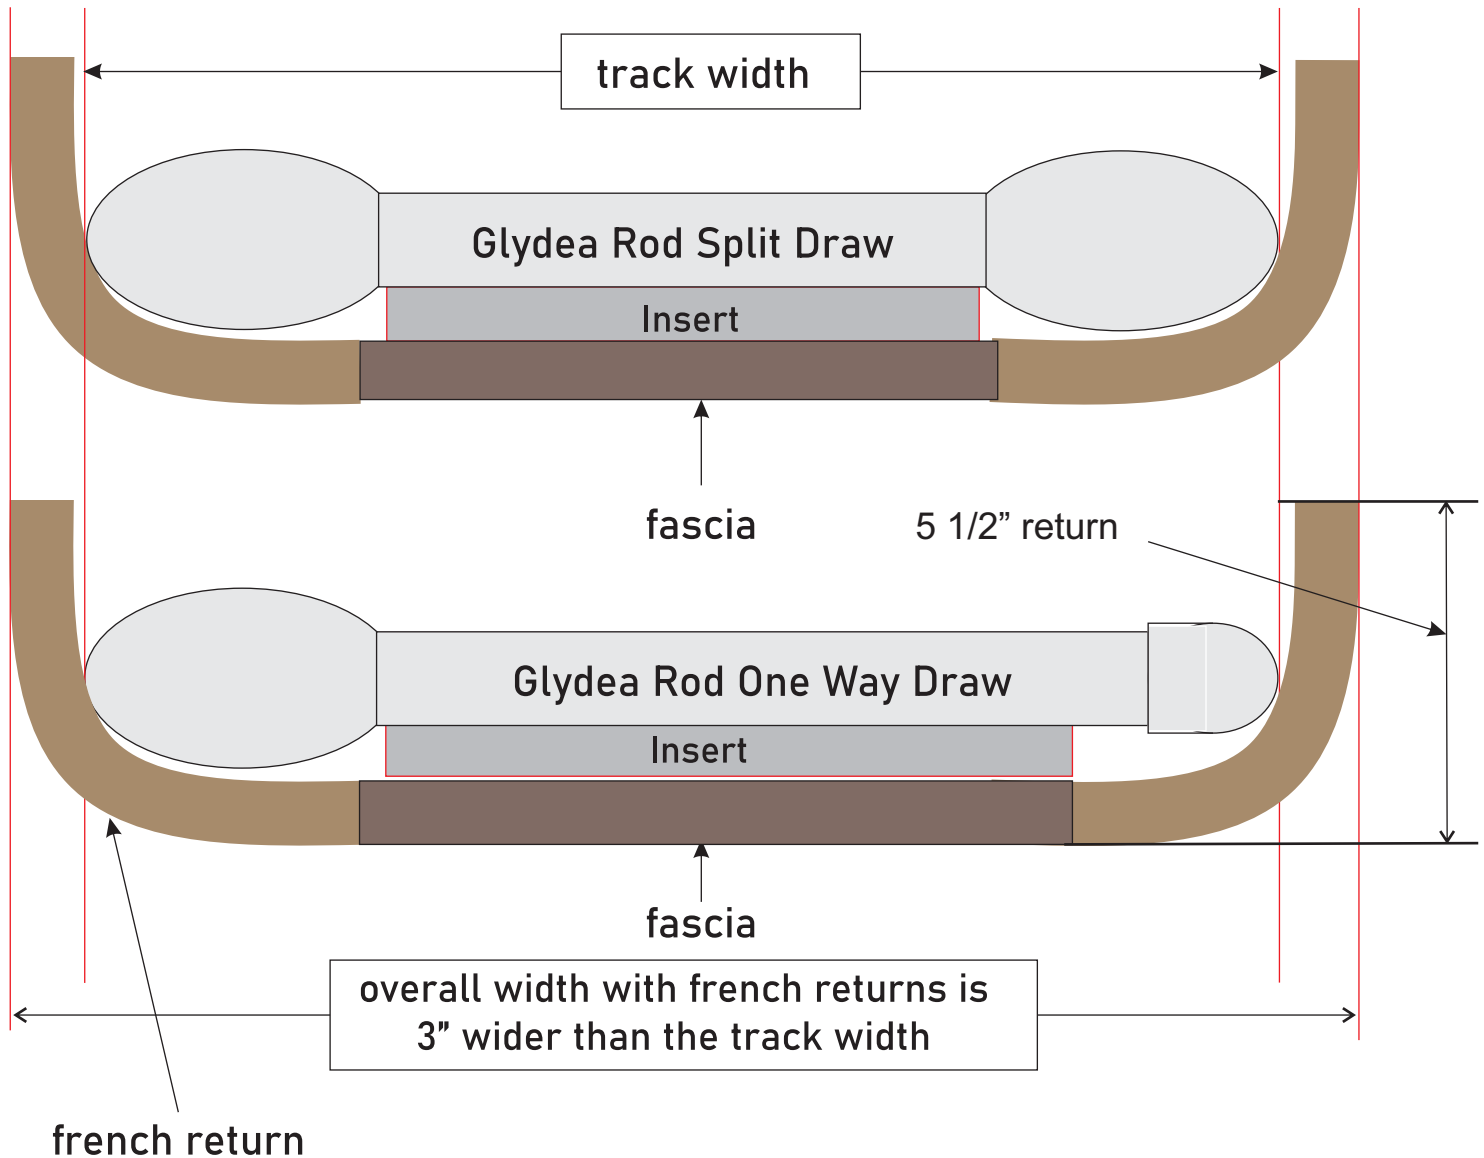

Fascia with color coordinating rod and insert

ceiling brackets included

Fascia ordered with french returns

All drapery rods made to exact track width. We will not make any allowances

French returns are available on Select Metal fascias. You may order the rods french return “ready” and provide your own french returns for a cost savings. They must be from Select hardware. dimensions and specifications provided
