Foodie Guide to Tasty EPCOT 40th Anniversary Festivities

This year, October 1 marks the 40th Anniversary of EPCOT. That's right, 40 years! Since opening in 1982, the park has allowed guests who have passed through its gates to get a glimpse into the future, travel the world while experiencing different cultures, and take their tastebuds on a journey through delicious food festivals. The possibilities have been endless and will continue to be with the exciting plans that lie ahead in the future of this iconic theme park.

To celebrate this momentous occasion, it's only fitting to have some tasty treats. For select days surrounding the anniversary, various locations will be serving up eats and sips honoring 40 years of fun and flavors. From the EPCOT 40th Liege Waffle at the recently opened Connections Café to the Figment Sponge Cake at Sunshine Seasons, and the Dan Dan Noodles at Nine Dragons Restaurant, there is something for everyone to get a taste of the celebrations.
