

# EXPLORE THE WORLD WHILE WORKING REMOTELY

## NEW POST-COVID EMPLOYEE BENEFIT

The 2020 pandemic has greatly accelerated the trend to work remotely. Employers have learned that remote workers are productive. As the world returns to a new normal in 2021, hotels will find business travel significantly below pre-pandemic levels and will be open to new ways to fill their rooms at lower costs.

This presents a major opportunity for leading companies to work with LifeAdventures to provide a major new benefit to top employees that allows them to immerse themselves in a new U.S. city or foreign culture for an extended period while able to productively work remotely.

LifeAdventures brings together 20-50 adventurers, all from one team, one company or from multiple companies for 1-3 month trips to 1-3 locations within one region of the world.

## BENEFITS TO COMPANY

- Reward top performers.
- Increase employee loyalty and retention.
