BOLINA BROWN ALE

ALC-VOL 5.6%

INDIA PALE ALE²

ALC-VOL 8.4%
IBU 74

Just as the hot rodders of the 50's desired more horsepower, our double IPA is brewed with the perfect combo of hops to create a robust, full-bodied beer. Also dubbed the "Flathead Red," its simple yet aggressive flavor takes us back to a time when things were made with quality and made to last.

HOPS: Columbus, Falconers Flight

Pismo Brewings

COMPANY
EST. 2010

Pismo Brewing Company was founded in 2010 by Central Coast locals, Tim & Melissa Moscardi. While vacationing in Mexico, they brewed up the idea of turning a hobby into a business and couldn't think of a better location than Pismo Beach. Testing recipes on friends and family, until the consensus was they make really tasty beer, and should just go for it!

We have a constantly rotating line-up of six custom crafted Brews and a mouth watering Rootbeer on tap at all times in our tasting room. We brew on site and use only the freshest and finest selected grains and hops. Our staff is here to make your visit to Pismo Beach a memorable experience. Come on in, and relax with a sampler tray.
