Annual Report

Clark County Sheriff's Office

501 E Court Ave Ste 159
Jeffersonville, IN 47130

MESSAGE FROM THE SHERIFF

Citizens of Clark County,

It is my pleasure to present you the 2024 Clark County Sheriff's Office Annual Report.

The annual report is produced by the Assistant Chief for the public's review. This marks the first time in our history that we have compiled an annual report. This milestone reflects our commitment to transparency, accountability, and ensuring that the citizens of Clark County are informed about the work being done to enhance public safety and community well-being.

This year the Clark County Sheriff's Office embraced the opportunity to navigate a changing public safety landscape while maintaining a steadfast commitment to our mission. Our staff consistently demonstrated resiliency, determination, professionalism, and dedication to serving the residents of Clark County. In 2024 we remained focused on key priorities including retention employee wellness, and meaningful community engagement.

It is my honor and privilege to serve as your Sheriff. I extend my deepest gratitude to our team for their tireless efforts and to the community we proudly serve for their ongoing support. Together we will continue to work toward making Clark County a safe and thriving place for us all.

Respectfully,

A handwritten signature in blue ink, reading "Scott A. Maples Jr.". The signature is fluid and cursive, with a large, stylized initial "S".

Scott Maples Jr.
Sheriff

MISSION

The Clark County Sheriff's Office will serve our community by protecting life, liberty, property, and defending the constitutional rights of all people with compassion, fairness, integrity, and professionalism.

We will accomplish our mission by:

- Enforcing the law with integrity, fairness and compassion
- Solving crimes
- Meeting the expectations of our community
- Upholding the constitutional rights of our citizens
- Building and maintaining public trust
- Reducing victimization
- Demonstrating fiscal responsibility

VISION

Through a steadfast commitment to transparency and professionalism, the Clark County Sheriff's Office will transform into an innovative and engaged organization that exemplifies excellence in policing. Our dedicated workforce will uphold the highest standards of integrity while reflecting the values and diversity of the Clark County community.

Patrol Division

The primary objective of the **Clark County Sheriff's Office Patrol Division** is to deliver prompt, professional service to the residents and visitors of Clark County. By working collaboratively with the communities we serve, the Patrol Division strives to prevent crime and reduce the fear of crime through a proactive, problem-solving approach. Maintaining a 24/7 presence, the Patrol Division represents the most visible and recognizable aspect of the Sheriff's Office, serving as the frontline of public safety and community engagement. There are a total of 26 deputies assigned to patrol.

The Patrol Division is comprised of four full-time squads assigned to 12-hour rotations. The Patrol Division commander is **Lt. Colonel Mark Meyer**.

Squad A- Captain Charles Scott

Squad B- Captain Brian Lovins

Squad C– Captain Brad Benton

Squad D– Captain Brandon Westerfield

The **Clark County Sheriff's Office Patrol Division** is firmly committed to providing professional law enforcement services to the residents, visitors, and businesses of Clark County. Deputies are available 24 hours a day, seven days a week, to protect life and property throughout the county. They are responsible for responding to calls for service, investigating criminal activity and traffic collisions, apprehending suspects, and much more.

As part of our mission to foster community trust and safety, the Clark County Sheriff's Office has implemented a bold initiative to increase our visible presence in neighborhoods. In 2024, we transitioned nearly all patrol division vehicles to marked units, leaving only four unmarked cruisers in operation. This change was designed to

enhance community engagement and deterrence through high-visibility policing.

Targeted patrols have been strategically deployed in residential areas, focusing on reducing burglaries and safeguarding our citizens' homes. The results speak for themselves: In 2024 burglaries decreased by 38.8%.

We are proud of this innovative approach to crime prevention and will continue prioritizing visible, proactive policing to ensure Clark County remains a safe place to live and thrive.

Criminal Investigations

Criminal Investigations structure.

The Criminal Investigations Division (CID) of the Clark County Sheriff's Office is the backbone of our agency's efforts to bring justice to victims and hold offenders accountable. CID is tasked with following up on leads developed during the initial reporting of serious criminal activity, ensuring that every case receives the professional attention it deserves. Investigators are available 24 hours a day to respond to crime scenes, provide critical support to victims, and conduct comprehensive and meticulous investigations.

Led by **Chief of Detectives Major Elliott**, CID comprises a highly skilled and dedicated team: five merit detectives, two corrections/special detectives, one full-time technician, and one part-time technician. Each team member has undergone extensive additional training in advanced investigative techniques to ensure they are equipped to handle a diverse range of cases.

Detectives in CID investigate crimes of all types, ranging from homicides to property crimes such as theft and burglary. They specialize in cases involving fraud, financial exploitation, and white-collar crimes, as well as sensitive investigations involving sexual offenses. Whether pursuing justice in complex homicide investigations, uncovering fraudulent schemes, or supporting victims of traumatic crimes, the division's detectives demonstrate unwavering commitment and professionalism.

Through their tireless efforts, CID continues to uphold the highest standards of investigative excellence, providing justice for victims and ensuring the safety and well-being of the Clark County community.

Investigative Task Force

The Clark County Sheriff's Office maintains a proud partnership with the FBI/Safe Streets task force with one of our detectives assigned as a task force officer (TFO) assisting and supporting the Federal Bureau of Investigations during investigations. This partnership has led to several criminal convictions.

The Clark County Sheriff's Office also maintains a proud partnership with the United States Secret Service where one of our detectives is assigned as a task force officer (TFO) to assist with cyber and financial crimes.

Special Operations

The Clark County Sheriff's Office is proud to have several proactive units that support our patrol, investigations, and corrections divisions.

The **Canine (K-9) unit** is a specialized unit that consists of one K-9 team (one handler and one dog). The K-9 Team supports our patrol division and the criminal investigation division by being available 24 hours a day seven days a week for call outs as well as routine patrol.

The Clark County Sheriff's Office, as a proud member of the **Southeast Regional SWAT Team**, is committed to providing specialized law enforcement services to address high-risk and critical situations. The Southeast Regional SWAT Team is equipped and trained to handle a wide range of incidents that require advanced tactics and coordination, ensuring the safety of the community and officers involved.

The SWAT Team is deployed for situations such as hostage rescues and negotiations, barricaded suspects, the execution of high-risk warrants, and drug-related operations, including raids and search warrants. Additionally, the team conducts searches for armed or dangerous subjects, provides VIP protection, manages stakeouts and undercover surveillance, and assists with civil disorder and crowd control during special events.

Through the use of advanced training, equipment, and techniques, the Southeast Regional SWAT Team reduces the potential for harm or loss of life during incidents involving the possibility of armed confrontations. The Clark County Sheriff's Office takes great pride in its contribution to this regional partnership, ensuring that our community and neighboring areas have access to a professional and highly capable tactical response team when needed most.

The Clark County Sheriff's Office also maintains an active presence on the Ohio River with our **Marine Patrol Unit**. Officers participate in marine patrol of the Ohio River through funding with the Indiana Department of Natural Resources and funding with the federal government which allowed the creation of a boat house and docks so that officers can respond to emergencies quickly and efficiently and provide a security presence in the port of Indiana. The Sheriff's Office proudly maintains two marine units on the water during the summer boating season.

Through our partnership with the federal government using the Defense Reutilization and Marketing Office (DRMO) program the Clark County Sheriff's Office maintains a part-time **Air Unit** consisting of part-time certified helicopter pilots our Air Unit is available for search and rescue missions, criminal apprehension, and other air-related missions. The unit supports not only the Clark County Sheriff's Office but other local public safety organizations. Since January 1, 2023, the Air-Unit has provided 28 flights for a total of 29 hours in support of our mission.

School Resource Officers (SRO)

The Clark County Sheriff's Office is proud to employ highly trained and qualified school resource officers. The division is led by **Major Nick Mobley**. All SRO'S that are employed by the Clark County Sheriff's Office are graduates of the Indiana Law Enforcement Academy and are certified through the National Association of School Resource Officers and are assigned to the following schools.

Henryville Elementary, Jr-Senior High School.
Borden Elementary, Jr-Senior High
Charlestown High School
Silver Creek High School
Silver Creek Elementary School
Silver Creek Primary School
New Washington Elementary, Jr-Senior High School

The Clark County Sheriff's Office also provides training and resources to the Resource Officer employed and paid for by Rock Creek Schools.

Corrections Division

The Clark County Jail is a 615-bed facility staffed 24-7, 365 days a year. Our average population is approximately 460 inmates. The Clark County Jail provides care, custody, and control for individuals housed within the facility while serving as a critical partner in addressing the root causes of criminal behavior. Through an emphasis on evidence-based programming, collaboration, and improved operational practices, the jail prepares detainees for successful reintegration into society. The facility houses male and female detainees across minimum, medium, and maximum-security classifications, including pre-trial inmates and those serving sentences.

The jail is led by Jail Commander Major Brett O'Loughlin, with operations supported by a dedicated team of nearly 100 corrections officers, support staff, and maintenance personnel working across three shifts to ensure 24/7 care and security. In 2024 4699 inmates were processed into the facility with nearly 4500 being released. The average length of stay for an inmate inside of the Clark County Jail was 148 days. We had one death in custody in 2024 from natural causes. The investigation was conducted by the Indiana State Police.

The Clark County Jail was inspected two times in 2024, once by the State of Indiana and once by the United States Marshall Service. Both inspections were passed with no negative remarks.

Commitment to Evidence-Based Programming and Training

Sheriff Scottie Maples and his staff are dedicated to implementing innovative programs and operational improvements to enhance the safety, health, and rehabilitation of both inmates and staff. Central to this effort are:

Addiction Treatment and Behavioral Programming: Comprehensive programs addressing addiction, anger management, and coping skills are offered to help detainees confront the underlying causes of criminal behavior.

LifeSprings Health Systems and Thrive: These partners provide vital services, including mental health counseling, addiction recovery support, transitional housing assistance, and reentry planning. Thrive is present nearly daily in the

facility, ensuring detainees have access to holistic care and guidance.

Indiana Recovery and Community Support Program (IRACS): Peer recovery coaches work with detainees during incarceration and after release, offering critical support for long-term recovery.

Educational and Vocational Training: In partnership with River Valley Resources and Ivy Tech Community College, detainees have access to:

Virtual Reality (VR) Job Training: Hands-on training for trade-related industries using innovative VR technology.

GED and College-Based Courses: Academic programs that open pathways to higher education and professional development.

Workforce Development: Career-building and job placement services to ensure successful reentry into the workforce.

Court Security, Courthouse Security, and Transportation/Extradition

In addition to managing the jail facility, the Sheriff's Office oversees the Court Security, Courthouse Security, and Transportation/Extradition Division, which plays a crucial role in ensuring the safety and efficiency of judicial operations across Clark County. These responsibilities include:

Court Security: Protecting judges, court staff, and the public during court proceedings, maintaining order, and responding to emergencies within courtrooms.

Courthouse Security: Securing the courthouse premises, screening visitors, and ensuring the safety of all individuals entering and exiting the facility.

Transportation and Extradition: Managing the safe and secure transportation of inmates to and from court appearances, medical appointments, and other facilities. This division is also responsible for extraditing individuals from outside jurisdictions, ensuring compliance with all legal and security protocols.

These responsibilities are carried out by highly trained personnel dedicated to supporting the judicial process while upholding public safety.

Operational Enhancements and Staff Wellbeing

Sheriff Maples has prioritized staff training and development, emphasizing officer safety, health, and wellness. Key initiatives include:

Creation of a 6-Week Jail Academy: A robust training program designed to prepare corrections officers for the unique challenges of their role while enhancing professionalism and effectiveness.

8-Hour Work Schedule: This shift has improved staff morale, reduced burnout, and created a healthier work-life balance for personnel.

Increased Staff Training: Ongoing professional development opportunities have bolstered officer skills, ensuring a safer and more efficient facility.

These initiatives, combined with an emphasis on evidence-based programs and operational improvements, have led to a drastic reduction in litigation against the county, reflecting enhanced conditions for both inmates and staff.

Improved Medical Care Through Strategic Partnership

In June 2023, the Clark County Jail partnered with Southern Health Partners to overhaul inmate healthcare, resulting in significant improvements. A nurse practitioner is now on-site 4-5 days a week, ensuring consistent and enhanced medical care for detainees. This increased availability has improved continuity of care and strengthened Sheriff Maples' commitment to improving inmate conditions while upholding public safety.

A Collaborative Approach to Safety and Rehabilitation

Through Sheriff Maples' leadership and collaboration with trusted partners, the Clark County Jail has transformed into a model of evidence-based programming, professional development, and rehabilitative care. By addressing addiction, behavioral health, and educational needs, while simultaneously investing in staff well-being and operational efficiency, the jail has not only improved conditions but also strengthened its mission of

safeguarding the community and reducing recidivism.

A total of 23 programs are offered inside of the Clark County Jail due to our partnerships. The Clark County Sheriff's Office employs a full-time Programs Director Brianna Brown who oversees and coordinates the programs.

Administrative Services Division

The Administrative Services Division of the Clark County Sheriff's Office is a cornerstone of the agency, ensuring efficient operations and strategic support for both internal and external stakeholders. This division oversees **Records, Process, Training, Litigation, Fleet and Facility Management, Human Resources, Community Outreach, Evidence Management, Public Records, Compliance and Tax Warrants**. These functions are supervised by a network of highly skilled personnel and leadership who report to the Assistant Chief and Chief Deputy.

Administrative Leadership and Responsibilities

The division is led by the **Administrative Services Captain**, who oversees a wide range of critical responsibilities, including:

Evidence Room Management: Ensuring the proper storage, tracking, and disposal of evidence in accordance with state and federal laws, as well as maintaining chain-of-custody integrity to support criminal investigations and prosecutions.

Public Records Management: Overseeing compliance with public records requests, ensuring that records are properly maintained and accessible in alignment with transparency laws and agency policies.

Tax Warrants: Managing the receipt, processing, and execution of tax warrants issued by the state. The division works with the **Indiana Department of Revenue** to collect unpaid taxes and enforce tax-related judgments, ensuring compliance and accountability.

Compliance Oversight: Monitoring and enforcing compliance with internal policies, state and federal regulations to safeguard the agency's operational integrity.

Litigation Coordination: Managing legal matters, including lawsuits filed against the Sheriff's Office, in collaboration with the County Attorney and external legal counsel. Responsibilities include tracking legal cases, mitigating risks, and ensuring the agency's legal compliance.

Additional oversight is provided by Administrative Majors with specialized responsibilities:

Fleet and Facility Management: An **Administrative Major** supervises the department's fleet, vehicle maintenance, building maintenance, and training facilities. This role also encompasses the management of all special operations equipment, ensuring readiness for emergency and high-risk operations. This role has led to large cost savings, by moving vehicle maintenance in-house and away from the dealership.

Community Outreach: **Administrative Major Nick Mobley** leads community engagement efforts, coordinating programs to build trust and partnerships with the public. In addition, he supervises the School Resource Officers (SROs) who work closely with local schools to ensure the safety and well-being of students.

The **Matron** oversees Human Resources, working in conjunction with County Human Resources to manage hiring, onboarding, and employee benefits. This role ensures that the Sheriff's Office attracts and retains top talent while addressing personnel needs. The Matron also oversees the grievance process for all female inmates and responds to issues with that population.

Records and Process

The Records and Process sections are staffed by dedicated civilian personnel, including a Clerical Supervisor, Administrative Support Clerks, and Process Servers, who manage vital functions such as:

Records Management: Maintaining accurate and accessible documentation for the courts, public requests, and agency operations.

Court Process Services: Handling the delivery of legal documents such as Protection Orders, Writs of Restitution, Evictions, Summons, and Subpoenas. Processes are served by two full-time and one part-time process deputy. In 2024, Process Servers successfully served over 8000 documents, often requiring multiple service attempts.

Sheriff's Sales: Conducting monthly auctions of foreclosed properties as mandated by court orders.

Training

The division places a strong emphasis on personnel development and readiness through its **Training Director**, who oversees all aspects of staff training. This position oversees a Corrections Division Training Director as well, both are responsible for the following:

Onboarding and Certification: Ensuring new hires are properly trained and meet state and departmental standards.

Continuing Education: Providing ongoing professional development and certifications for both corrections and law enforcement personnel.

Specialized Training: Maintaining the agency's commitment to evidence-based practices and officer safety through advanced training opportunities.

Additional Functions

The Administrative Services Division is also tasked with managing:

Public and Internal Complaints: Addressing grievances and commendations from both the public and agency employees. Complaints are thoroughly investigated, and findings are documented to ensure transparency and accountability.

Facilities and Equipment Maintenance: Ensuring all facilities and equipment meet operational and safety standards, enabling the Sheriff's Office to fulfill its mission effectively. The Sheriff's Office employs four jail maintenance employees and two vehicle maintenance employees who are responsible for the upkeep of the agency's fleet and buildings.

Organizational Structure

All roles and functions within the Administrative Services Division report to the Assistant Chief and Chief Deputy, ensuring a unified and coordinated approach to agency operations. This structure allows for clear communication, strategic oversight, and alignment with the overall mission of the Clark County Sheriff's Office.

Impact on Agency Efficiency

By integrating responsibilities for litigation, evidence management, records, process, training, fleet and facility management, human resources, community outreach, and compliance under a cohesive leadership framework, the Administrative Services Division plays a vital role in supporting the Sheriff's Office. These efforts not only enhance operational efficiency but also reinforce the agency's commitment to professionalism, accountability, and public safety.

Reserve Division

The Clark County Sheriff's Office Reserve Division is an invaluable component of our agency, supplementing our Police Division in a variety of essential functions. This dedicated group of 13 reserve deputies plays a vital role in ensuring public safety by conducting patrols, participating in community events, assisting with parades and festivals, and supporting any detail directed by the Sheriff.

Each reserve deputy completes an extensive academy program administered by the Sheriff's Office Training Division, equipping them with the skills and knowledge necessary to serve the community effectively. Remarkably, this is an all-volunteer force, exemplifying the spirit of service and commitment to Clark County.

Under the leadership of **Captain Dan Tenney**, the Reserve Division consistently demonstrates professionalism and dedication, making it possible for our agency to meet the demands of our growing community. Their contributions are indispensable, and we are profoundly grateful for their unwavering support.

In 2024 Officers volunteered for over 4500 hours on 163 details and community events. They can be found working at local basketball games, football games, autumn on the river, Sellersburg celebrates and the strawberry festival.

Staff Wellness

Sheriff Scottie Maples has prioritized officer wellness as a critical component of the Clark County Sheriff's Office mission. Recognizing the demanding nature of public safety work, Sheriff Maples has invested heavily in innovative solutions to support the physical, mental, and emotional well-being of his team—all while ensuring these advancements came at no additional cost to taxpayers.

State-of-the-Art Fitness Center

In 2024, Sheriff Maples leveraged creative funding sources to establish a 24/7 state-of-the-art fitness center at the Clark County Sheriff's Office Training Center. This facility provides staff with the tools and resources to maintain their physical health, enhance performance, and reduce stress. The fitness center is a testament to the Sheriff's commitment to ensuring every officer has access to the resources needed to thrive in their roles, all without burdening the taxpayer.

MAGNUSWorx: A Holistic Wellness Platform

Through a partnership with the Indiana Sheriff's Association and the use of grant funding, Sheriff Maples introduced the MAGNUS Ovea/Ripple Worx smart application to the Sheriff's Office in December 2024 after several months of meticulous implementation. This cutting-edge platform emphasizes the "11 Rings of Health and Wellness" with a focus on the motto: Be Bold, Be Brave, Be More – Become MAGNUS.

Unlike traditional wellness apps, MAGNUSWorx is a comprehensive platform that combines innovation and collaboration to deliver personalized, data-driven insights designed for peak performance and well-being. Developed in partnership with the National Command and Staff College and RippleWorx, the app integrates advanced science and technology to provide officers with confidential, holistic, and actionable insights into their health and wellness—all provided at no cost to taxpayers.

A Commitment to Excellence

The MAGNUSWorx platform is built on the foundation of:

Confidential and Holistic Insights: Utilizing advanced data science, the app offers a complete view of physical, mental, and emotional well-being while maintaining officer privacy.

Peak Performance Metrics: Designed to identify untapped potential and support continuous improvement, the app enhances team dynamics and individual growth.

Organizational Leadership and Support: Leaders are equipped with tools to foster informed decision-making, creating an environment that prioritizes wellness and resilience.

The implementation of MAGNUSWorx, made possible through collaborative efforts with the Indiana Sheriff's Association and grant funding, demonstrates Sheriff Maples' commitment to leveraging innovation for the betterment of the agency.

Investing in the Future

Sheriff Maples' forward-thinking approach to officer wellness reflects his dedication to creating a resilient, high-performing team that is well-prepared to meet the challenges of modern law enforcement. Through state-of-the-art facilities and innovative partnerships, these initiatives ensure the long-term health and success of the department while respecting taxpayer resources.

Training

Sheriff Scottie Maples has made staff development, training, and executive leadership a cornerstone of his administration in 2024. Recognizing that a well-trained team is critical to delivering exceptional service and ensuring community safety, the Sheriff's Office has invested heavily in advanced training opportunities for personnel at all levels.

Front-Line Supervisors Training

Most of the Sheriff's Office front-line supervisors attended the Southern Police

Institute's Front Line Supervisors Course at the University of Louisville. This prestigious program focused on enhancing leadership skills, ethical decision-making, evidence-based policing strategies, personnel development, employee wellness, reward systems, and supervisory liability. These skills ensure that our supervisors are equipped to lead their teams effectively while fostering a culture of accountability and professionalism.

Executive Leadership Development

Sheriff Maples proudly supported Assistant Chief Mark Grube in becoming the first in Clark County Sheriff's Office history to attend and graduate from the graduate-level Southern Police Institute Administrative Officers Course (151st session). This rigorous 12-week (480-hour) in-residence program prepares participants for leadership roles by addressing complex law enforcement issues, diagnostic problem-solving, administrative law, and contemporary policing practices. The program fosters collaboration and networking among leaders from across the United States and beyond, providing graduates with a lifetime resource for addressing organizational challenges.

Assistant Chief Grube's participation and graduation from this program marks a milestone in the professional growth of the Sheriff's Office, setting a new standard for leadership excellence.

Advanced Leadership Training

The Sheriff's Administrative staff, including Chief Thomas and Assistant Chief Grube, also graduated from the National Command and Staff College's West Point Leadership Academy. This intensive program focuses on leadership theory, peer engagement, and building skills necessary for addressing today's challenges in public safety leadership. Additionally, senior command staff, including Lt. Colonel Meyer, Major Mobley, and Major Elliott, completed Magnus Ovea Leadership Training, which emphasizes leadership, wellness, and resiliency in a volatile, uncertain, complex, and ambiguous (VUCA) environment. This training enhances their ability to adapt and thrive in today's ever-changing world of public safety.

Specialized Training for Line Staff

Beyond leadership development, the Sheriff's Office has provided specialized training to enhance the skills of all staff. Highlights include:

Reid School of Interviewing and Interrogation

Front-Line Jail Supervisor Training

Gang Investigation Conferences

Southern Police Institute Homicide School

Cyber Crime Investigations Training

Drug Interdiction Training

These training opportunities exceed standard requirements, ensuring our officers and staff are well-prepared to address diverse and complex challenges. Officers are strongly encouraged to attend additional training.

Commitment to Excellence

Under Sheriff Maples' leadership, the Clark County Sheriff's Office continues to set a high standard for training and development. By prioritizing advanced education and equipping our personnel with cutting-edge skills, we are not only improving service delivery but also building a resilient and forward-thinking agency ready to meet the demands of modern law enforcement.

Community Events

The Clark County Sheriff's Office takes immense pride in our commitment to community partnership and charitable giving. Through a strong collaboration with the Clark County Fraternal Order of Police Lodge 181, our agency supports numerous charitable and community events each year, fostering goodwill and making a meaningful impact on the lives of those we serve.

One of the highlights of our efforts is the annual Corporal Robert Wayne Nicholson and School Resource Officer John Starks Shop with a Cop event, where deputies and officers come together to bring joy to children and families during the holiday season. Additionally, our team actively participates in bike and toy drives throughout the year, ensuring that children in need receive gifts that make a lasting difference in their lives.

Beyond these events, the Sheriff's Office proudly supports local organizations such as the youth shelter and regularly contributes to school fundraisers, underscoring our dedication to uplifting the entire community.

Our officers go above and beyond, often volunteering their own time to participate in community initiatives. From taking the plunge in the Polar Plunge to running in several 5Ks throughout the year, they embrace opportunities to give back and support charitable causes. Their selflessness and dedication to the community reflect the heart of our agency's mission, and we are incredibly proud of their involvement. These efforts highlight our belief that community engagement is not just a responsibility—it is a privilege and a cornerstone of who we are as public servants.
