

8/7/2023

To whom it may concern,

A Bunk and A Prayer has been instrumental in helping our residents make their apartment into a home. All the residents who live within the Oak Grove Senior Apartments are at least 62 years old and are low income receiving a HUD subsidy to subsidize their rent. Every dollar counts when living on a fixed income. Unfortunately, seniors must make tough decisions financially. Many times, an individual or couple will move in without a bed due to financial difficulties and/or lack of transportation to obtain a used bed from one of the community partners in San Angelo. A Bunk and A Prayer is a truly needed resource in our community. The people involved and the time taken are truly appreciated. A Bunk and A prayer provides a mattress, frame for the mattress and bedding for the mattress. They also deliver and set up the mattress for the individual receiving the mattress.

Oak Grove Senior Apartments is a senior living facility for seniors who are independently able to maintain their day to day living. Oak Grove is owned and operated by Silver Tree Residential. Our sister property in San Angelo is Christian Village.

Sincerely,

Amber Contreras, BSW, CHW
