DANGER MAY CAUSE SKIN & EYE IRRITATION

PRECAUTIONARY STATEMENTS: Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves and clothing, plus eye and face protection.

FIRST AID: If in Eyes: Hold eye open and rinse slowly and gently with water for 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for advice. If Swallowed: Call a poison control center or doctor/physician immediately for treatment advice. Have

person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person. If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. Call a poison control center or doctor for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

STORAGE & DISPOSAL INFORMATION: Storage and handling of Nuvano Pure shall be in either fiberglass, polypropylene, plastic or low carbon stainless steel

(316LSS) containers. Avoid steel or nylon vessels or steel or nylon valves and plumbing as prolonged contact will deteriorate valves and plumbing. Dispose of contents and container to an approved waste disposal plant in accordance with local, regional, and national regulations.

CAUTION: Nuvano Pure is a non-toxic and non-flammable solution. Skin irritation may occur and it is suggested that protective clothing be used always. Store in a safe place away from pets and children.

SPILLAGE: Spillage of Nuvano Pure on concrete will cause deterioration of the concrete. Dilute the spillage with water and flush into a disposal area.

KEEP OUT OF REACH OF CHILDREN & PETS
